THE OFFICIAL NEWSLETTER FOR PARENTS OF
TEURLINGS CATHOLIC HIGH SCHOOL STUDENTS

A P R I L , 2 0 0 6

From Our Principal...

The Academic Pep Rally held on March 15 was a tremendous display of school achievement and talent. The theme was, "Good Grades Rock," and the Rebel Dome was rocking. A guest appearance by the band KISS, two of whom came into the Rebel Dome on the back of a Harley, excited all young and old alike. The stage looked like a rock concert, the Rebel Dome was filled to capacity, the program was exciting, the music added atmosphere, the entire faculty participated, and the students loved it. Our faculty members and parent volunteers are to be commended for orchestrating such a fabulous event. What a great way to spotlight the academic successes of our students! Two hundred sixty-six students were recognized as XL award winners; that's 40.2% of the total student body.

Annually on Holy Thursday, we hold our sunrise Passion Play at 6:30 a.m. This is a great way to begin the most important four days in the Catholic Church and to share it with family. As in the past, our seniors elevate themselves as the spiritual leaders on our campus. All parents and families are invited to join us that day. On April 13, the crucifixion will take place at approximately 7:25 a.m. and the resurrection will take place in the Rebel Dome approximately 10:55 a.m.

On April 25-26, a peer review team representing the Southern Association of Colleges and Schools (SACS), will visit our campus. The faculty and staff have been involved in the self-study process for the last eighteen months. Several of you may be called upon to visit with the peer review team.

The Senior Mass will be celebrated on April 27. All senior parents and families are invited to attend. After the liturgical celebration, the listing of all senior scholarship offers will be read to the entire student body. Following a donut and juice reception sponsored by St. Genevieve Middle, seniors will be treated to crawfish and all of the fixins.

April brings us prom activities as they relate to Teurlings Catholic. The following is our annual message to parents. When you set no curfew or if you allow your children to rent hotel rooms, sponsor after parties where anyone who can open the ice chest or look over the bar counter can drink, and let them act as though they are consenting adults, *you are gambling with your child's life*. You are also gambling with the life of your neighbor's or your best friend's child at the same time. When you let your children go to an after-party where drinking is condoned, even though you or other parents are present, you are gambling with your child's life, and with the lives of other children.

Teurlings Catholic does not sponsor, condone, or advertise any after party or drinking corresponding to any school activity. Parents who permit drinking by underage children are breaking the law. Our children are all underage and the state of Louisiana and the Federal government say they cannot legally consume alcoholic beverages. The school will notify the appropriate law enforcement agency of any planned activity associated with any school activity where alcohol may be present. Gambling is to take a chance. Most of the time when you are asked to take a chance, that chance ends up taking you. Love your children, don't gamble with them.

Letter received by Mr. Boyer 3/6/06

Mr. Boyer,

I've been doing a little writing for the local newspaper...After covering your state championship effort in soccer, I felt obliged to write.

After the game, I interviewed two of your student athletes: **Ross Calais** and **Dillon Boudreaux**. Hence the basis for this memo. These young men deserve recognition for not only their athleticism but for their character. During my post game interview, they were both polite, well spoken, mature and eager (despite the loss) to provide any information that I needed. They are both excellent representatives of your school and your athletic program.

I have had similar experiences with the athletes in your basketball program. Congratulations on the great job that your school is doing.

DISCIPLINE

Terri Baudier - Assistant Principal

A POSTIVE IMPACT!

We were very fortunate to have **Sergeant George Crowder** from the Lafayette Metro Narcotics Department come and speak to all of the students in

Mrs. Linda Doherty's Civics and American History classes. Sgt. Crowder was originally supposed to speak to our whole student body in September, but had to cancel due to Hurricane Katrina. He gave a very powerful talk about smoking, drinking and drugs to the students. Sgt. Crowder shared with the students his story of how he overcame many obstacles in his life, including being surrounded by drugs. He informed the students of the effects and dangers of using drugs, and how drug use can negatively affect their lives. His knowledge, experience and great sense of humor made a big impact on the students who heard him. We will definitely be having him come back and visit us again!

PARKING LOT FINISHED!

The back parking lot by the baseball/softball field is finally finished. A few minor problems with the new driveway on Edna Street delayed student use of the lot, but it is now open. The new lot holds about 75-80 vehicles. Thanks to all the students for being so patient while we were in the process of completing the work.

CELL PHONES AND PARENTS

I would like to ask parents to please not accept calls from their children from cell phones during the day. When you call or speak with your child from the cell phone during the school day you are telling the student that it is fine with you

to break the rules. Most of the time when students are caught with cell phones, they are calling home or getting a call from home. The phones are to be kept in lockers or cars. We have phones in the office that students are allowed to use during lunch or the break. We realize that cell phones are convenient, but they are certainly not a necessity. We all survived high school, playing sports and being involved in activities, without cell phones. It is a privilege not a right to have one, especially on campus. Abuse will cause the privilege to be taken away. Your support on our cell phone policy is extremely important!

PARENT WORK DAY

Thanks to School Board Member **David Guidry**, the Facility Committee, and all of the parents and students who came out and helped improve our campus March 18. The group painted the posts in the breezeway, stained and sealed the student deck, repaired the rotten boards on rooms 16-18, and put new sheet metal under the walkway by the office. Thanks to **Coach Bruce Baudier** for cooking the hamburgers for the workers and to **Bill Allen** for supplying the burgers for us. A special thanks to **David and Leah Lormand** who came out and changed all of the toilet seats (7) in the girls bathroom and also put in two brand new sinks. The Lormands not only donated the new bathroom fixtures but also donated their time in putting them in.

HOMECOMING 2006 RELOCATED

With the help of one of our parents, **Gwen Gravouia**, we were able to book the Carencro Community Center for our Homecoming Dance for next year. The Community Center is spacious enough to house all of our students, with plenty of room for parking. The high school gym has become too crowded with our increased enrollment. More information will come next year as plans are made for the dance.

ACADEMICS

Marty Heintz - Assistant Principal

The finish line is in sight...

That's right, we are in the final stretch of the school year. Third quarter grades are now history and students should be gearing up for the final push of the academic year. Failure notices were mailed out March 24 to parents of students in danger of failing a course. Two things to remember in case you were the recipient of one of the letters:

- It's not the end of the world (even though we, as parents, always think it is);
- And, in most cases, hard work during the final quarter CAN change the outcome.

Please contact the teacher if you did get one of the letters. Monitor your student's progress this last quarter. Ask to see homework, check K-12 Planet, look for books and assignments, make sure there is a designated study time each day. You, the parent, are the person your child most respects in life and your support is generally what they need above all else when dealing with academic problems. Encourage your student – but stay on their backs, too!

For those of you who did not receive failure letters, please remember every year we see students in good academic standing at the end of the third quarter who fall behind and/or lose their TOPS eligibility because of the dreaded "senioritis." To paraphrase the great Yogi, "The school year is not over until it's over." Make sure your student works until the end.

Finally, if you need some help calculating your student's grade for the year, the two semesters are averaged to determine the year grade. The semester grade is the average of the two quarter grades multiplied by 2 and the semester exam.

Directions – without them we don't get very far in any activity, do we? Roadmaps, recipes, "how to" videos and books, assembly directions, prescription medicines...the list goes on and on. We

use directions of some sort every day of our lives. If you cannot follow directions, you will not be successful in your career, your relationships, and heaven knows you will never program that DVD/VCR recorder.

Students also follow directions. Every assignment issued to students in the course of a school day has specific directions that must be followed. Every athletic skill students learn on the practice field has directions that must be followed. Every dance move, every cheerleading skill, provide still more directions. Every rule and regulation set forth in the school's discipline policy adds more directions to a student's daily routine. Students have to learn to follow directions. Prior to the start of major academic projects, I see the directions issued to the students. The directions are always clear and can be easily followed. If students do not follow the directions, there are grade deductions. That is the way it has always been and the way it will always be. If the directions say that the paper must be 4-5 pages long, it must be 4-5 pages long. If the directions say there must be four sources, there must be four sources. If the paper is due during second hour on Tuesday, the paper must be in the teacher's hand at that time. If the directions say that the paper must be documented parenthetically, it must be documented. Students are responsible for following the directions. If the student does not understand the directions, the time to ask for clarification is when the directions are first issued, not when the paper is handed back with all the corrections.

Parents, you can certainly help in this process. Ask to see the directions for major assignments and make sure your child understands what is required. Call the teacher immediately if you do not understand the requirements. I hate to see a student, especially one who has worked hard to complete a project or write a paper, lose points because they did not follow directions.

Final Rebel Revival

On Thursday, March 23rd, several students gathered in the RebelDome for the last Rebel Revival of the school year! Together we joined in praise & worship, games, skits, and spiritual reflection. The theme, “Let’s all take a ride on the friendSHIP” set the tone for a night of fellowship and bonding. The seniors in Retreat Ministry have done an excellent job this year of bringing students together to get away from the hustle & bustle of high school life and take time out for God. Thanks to everyone in Retreat Ministry for their hard work, especially Fernando Arzola, Randi Leblanc, and Colby Melvin, for planning this month’s Rebel Revival!

Retreats, Retreats, and more Retreats

The month of March has been busy for the students in Retreat Ministry and Retreat Team. We planned and conducted FOUR retreats throughout the entire month and had a BLAST! Sts. Leo-Seton 7th graders, St. Genevieve 6th & 7th graders, and St. Genevieve Confirmation students all took part in faith-filled retreats. We enjoyed spending the day with the many students we met along the way. Great job to the following senior Retreat Ministers who spent much time and energy planning and preparing for these exciting retreats: Randi Leblanc, Ben Romero, Arielle Collado, Michelle Decou, Sara Callais, Anna Tally, Tyler Fruge, and Marie Champagne.

Congratulations to Campus Ministers of the Week

ADMISSION ONE

GRADUATION 2006

Seniors and Parents

Graduation will be here before we know it! So that you may begin preparations for the “Big Events,” please note the requirements to be met by each student in order to graduate and the dates and times for senior and graduation events.

Graduation Requirements

- ◆ All debts to Teurlings Catholic High School, including tuition and fees-for lost textbooks, library fines, and balances with the cafeteria, must be cleared before a senior will be allowed to take his/her exams, which begin on May 9, 2006.
- ◆ In order to receive a Teurlings Catholic High School diploma, a student must pass a total of 26 units including all state-required courses. A student who fails to qualify under this standard may participate in graduation exercises if, and only if, he/she passed a total of 23 units, including all state-required courses and Theology IV. Such students will not receive a TCH diploma, but a diocesan diploma.
- ◆ Any senior student who receives a grade of “Incomplete” in Theology IV or fails Theology IV for the year will not be granted a TCH diploma and will not be permitted to participate in graduation ceremonies.
- ◆ Please refer to the TCH Student-Parent Handbook for clarification of the aforementioned requirements and policies.
- ◆ Any student who is determined by the sponsors, faculty, or administration to be under the influence of alcohol or any otherwise inappropriate substance during any school-sponsored event will not be allowed to graduate on stage or to participate in any other graduation event. Such students will also be subject to disciplinary action.

Dates and Times of Events

FAILURE LETTERS REMINDER:

These letters give notice that failure is a possibility. In most cases, the student has time to correct the problem and pass the course. Please contact the teacher to discuss the situation. You can also contact Assistant Principals Marty Heintz Ext. 103 or Terri Baudier Ext. 102, or Guidance Counselors Anna Proctor Ext. 108 and Milton Rohm Ext. 114, to assist with setting up an appointment. Students who fail a required subject (math, English, science, social studies, and theology) are required to attend summer school. Summer school is conducted through the parish in which the student resides, and information on summer school is included with the year-end report card for those who must attend. Students who fail theology must attend summer school at TCH. Students who fail three required courses cannot continue at TCH, as is stated in the Student/Parent Handbook on page 28.

Capital Campaign News

Good things are happening at Teurlings Catholic High School

A special Rebel Thank You to the TCH athletes and parents who stepped up to the challenge of selling raffle tickets to purchase equipment for our new weight room. Although we were short of our goal of 100% athlete participation, we sincerely appreciate the efforts of those who did participate and honor your commitment to TCH Athletics. For those who have not sold their tickets or who are willing to sell more...we are asking for your help. Remember, *"Giving makes greatness possible!"*

Contributions continue to increase as many generous parents, grandparents, alumni, and friends have chosen to make their financial commitment to the Capital Campaign for needed repairs and renovations of our campus buildings. While there is still more support needed to reach the vision of our master plan, we are encouraged and

humbled by the response from many of you to this important campaign.

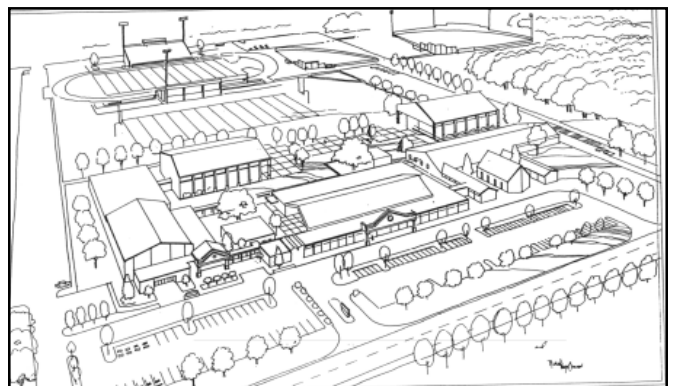

Our hardworking Capital Campaign committee has been reaching out to the community to spread the special message that is Teurlings Catholic. We have scheduled walk-throughs of the campus, have made countless telephone calls and are preparing alumni mailings. When you are contacted personally, we hope you will agree to make the most generous gift possible.

Contributions of \$5,000 or more will be recognized on a Wall of Honor and all contributions to the campaign will receive recognition in the campaign report and in our monthly newsletter. Pledges can be paid out over a two or three-year period and credit card payments are accepted.

If you have any questions

about the campaign, the master plan, would like a personal walk-through of the campus, or simply want a donor card mailed to you, please contact Angela Delhomme, Director, at 337-235-5711 extension 150 or send an e-mail with the appropriate contact information to adelhomme@tchs.net.

There's never been a better time than right now to give back to the source of so much enrichment and timeless tradition in the lives of Teurlings Catholic High School students.

WISHES GRANTED

Thank you for helping to make our dreams come true. We are so blessed. Thank You! Merci! Gracias!
