THE OFFICIAL NEWSLETTER FOR PARENTS OF  
TEURLINGS CATHOLIC HIGH SCHOOL STUDENTS

**A P R I L , 2 0 1 0**

## From Our Principal...

The Academic Pep Rally held on March 17 was a fantastic display of school achievement and talent. The theme was, "Hard Work Cafe." The Rebel Dome was filled to standing room only and Run DMC, John Travolta, Michael Jackson, Aretha Franklin, N Sync and the Stache Stallion showed up on stage. The TCH drum line and chorus participated for the first time and were show stoppers. Our faculty members and parent volunteers are to be commended for orchestrating such a fabulous event. What a great way to spotlight the academic success of our students! Two hundred fifty-nine students were recognized as XL award winners; that's 38.0% of the total student body. Finally, thirty-three seniors were recognized for scoring twenty-five and higher on their ACT test.

On Holy Thursday, April 1, we will hold our annual sunrise Passion Play at 6:45 a.m. This is a great way to begin the most important four days of the Catholic Church and to share it with family. This is a senior class project and once again the class will elevate themselves as the spiritual leaders on our campus. Bring your spuds, witness the reenactment of the passion of the Lord, and still get them to school on time.

We invite the grandparents of our juniors and seniors to celebrate Mass on April 22, at 1:20 p.m. in the Rebel Dome. Our annual Senior Mass is scheduled April 29, at 8:36 a.m. All senior scholarship offers, turned in to date, will be announced to the student body. Following mass, the seniors will gather for crawfish and fun.

April also brings prom activities as they relate to Teurlings Catholic. The following is our annual plea to parents: When you set no curfew or if you allow your children to rent hotel rooms, sponsor after-parties where anyone who can open the ice chest or look over the bar counter can drink, and let them act as though they are consenting adults, *you are gambling with your child's life*. You are also gambling with the life of your neighbor's or your best friend's child at the same time. When you let your children go to an after-party where drinking is condoned, even though you or other parents are present, you are gambling with your child's life, and with the lives of other children.

Teurlings Catholic does not sponsor, condone, or advertise any after-party or drinking corresponding to any school activity. Parents who permit drinking by underage children are breaking the law. Our children are all underage and the state of Louisiana and the Federal government say they cannot legally consume alcoholic beverages. The school will notify the appropriate law enforcement agency of any planned activity associated with any school activity where alcohol may be present. Students will be breathalyzed by uniformed security before entry to the prom. As a school we are not gamblers; we take every precaution to safeguard our students.

## DISCIPLINE

### Bruce Baudier - Assistant Principal

#### Uniforms: 2010-2011 school year

The following TCHS uniform modifications for the 2010-2011 school year are minor:

**Socks:** When wearing long pants, students will be able to wear navy or black socks. White socks will still be required when shorts are worn.

**Sweatshirts/Outerwear:** Due to the fact that our students must be outside in transition between many classes and at lunch, any jacket may be used outside. When students are in the classroom, at mass, or in the library the jacket **MUST** be removed. TCH approved sweaters/jackets purchased from an approved vendor are acceptable. The only 'jacket' that a student may wear in a classroom, library, or at mass is the approved TCH letter jacket (Speech, Academic, or Athletic jacket). The only sweatshirt students may wear is the Teurlings Catholic sweatshirt which is available only through our student council. The cost is \$20.00. No other sweatshirt can be worn during the school day. On "free dress/jean days" students may then wear any other appropriate non-hooded sweatshirt. Hooded sweatshirts are not allowed at any time during the school day.

**Shoes:** Parents are reminded that if a student is directed by a health care provider to wear specific shoes other than the school approved shoe, a written note from the medical provider is required. Also, one note regarding shoes - the Reebok classic running shoe which the majority of students wear is available in nylon and also leather. I have had parents of students wearing the leather shoes tell me that the leather, to them, wears better and fits more comfortably than the nylon.

#### Laptops, I-Phones:

Last month, as many of you know, Teurlings Catholic updated its Technology policy to include limitations on laptops, along with other electronic devices. The policy was developed to allow the use of personal laptops in the library and in classrooms in which teachers monitor and allow their use.

Prior to updating the policy, we found students (under the guise of 'taking notes' on their personal laptops) communicating with each other in different classes. During lunch and some classes, students were viewing inappropriate movies downloaded at home and brought to school. There were other class-to-class communication scenarios, including the use of pictures taken using laptops with 'web cam' capabilities.

Teachers will now have the option in their respective classes to allow students who have a signed laptop policy on file at school to use their personal laptops. Students may also use their laptops in the library any time, with the librarian's approval.

Personal laptops may be used by a student **ONLY** in a class when a teacher has given that student permission. The educational benefits of computers are well documented and the Teurlings Catholic Administration will continue to monitor and update its technology related scenarios.

Any electronic device that can connect to the internet, such as the I-Pod Touch, is prohibited and those violations are treated like cell phone and laptop violations.

## ACADEMICS

### Marty Heintz - Assistant Principal

I would like to thank everyone for a great Academic Pep Rally and recognize our students for their accomplishments. I also want to add my congratulations to the students who participated in the 2010 District Literary Rally on March 20 for the largest number of placements in many years. The following students qualified to compete at the Louisiana Literary Rally at LSU on April 17: First, second, and third place district winners, speech students from the Tournament of Champions, and our foreign language and art students who were pre-qualified. Congratulations to the students inducted into the TCHS chapter of the National Beta Club. On Thursday, April 15, we will recognize students who achieved a 3.0 or better GPA for the third quarter; RABC will provide prize drawings. It is great to see so many students honored for their academic achievements. The parade of academic stars will continue with our Honors Convocation on Sunday, May 16 (invitations will be mailed at the end of this month). We will recognize the seniors who have earned college scholarships at the Senior Mass on April 29, and seniors will again be recognized with graduation on May 17.

Student scheduling for the 2010-2011 school year is officially underway. Student requests were due on March 31 for initial consideration. Students are scheduled according to their grade level as they need particular courses to meet graduation requirements. The 2011 seniors

are scheduled first, followed by juniors, sophomores and finally freshmen. If your freshman or sophomore requested a popular elective, please understand upperclassmen get first preference. Because so many variables go into senior scheduling, I will meet with our twelfth graders on an individual basis to complete their schedules. I have tentatively set the week of April 19-23 to meet with seniors, the week of April 26-30 for junior scheduling, May 10-14 for sophomore scheduling, and May 17-21 for incoming freshmen. As I finish each grade level, students will receive a printout of their tentative schedule for 2010-2011. If there are changes made during the summer, a copy of the updated schedule will be mailed or emailed to the student. All students receive a final copy of their schedule during Orientation at the beginning of the new school year. If you have any questions about student scheduling, please email me at [mheintz@tchs.net](mailto:mheintz@tchs.net).

## Diocesan Outstanding Educator/Supporter Awards

Every year the Diocese of Lafayette recognizes outstanding teachers and Catholic school supporters from throughout the diocese. Teurlings is proud of our 2009-2010 representatives: Teurlings Catholic Educator of the Year, **Mrs. Norma Schexnailder**, and Catholic School Achiever/Supporter of the Year, **Mrs. Colette Anzalone**.

### Mrs. Norma Schexnailder Outstanding Educator of the Year

"No matter what kind of day you are having, even if it is a very stressful one, you will always feel peaceful once you enter Mrs. Schexnailder's room," says Michelle Simon, a sophomore student at TCH. "And it always smells so great!" added sophomore Logan Verrett.

Other student adjectives used to describe our **2009-2010 Educator of the Year, Mrs. Norma L. Schexnailder** included serene, calm, a positive aura, not pushy or harsh.

"Mrs. Schexnailder isn't mean but she will say it exactly how it is," continued Michelle. "She doesn't beat around the bush when she tells you what to do," injected Logan. "...then she shows us HOW to do it!"

Mrs. Schexnailder has been teaching high school English for the past thirteen years, eight of which have been here at Teurlings Catholic High. She instituted a class for "Interpersonal Communications" into the curriculum at St. Martinville Sr. High. Here at Teurlings, she helps her students tackle projects on Mythology, Night/ Holocaust, The Merchant of Venice, A Christmas Carol, and Lord of the Flies.

To further her students' education and peak their curiosity, Mrs. Schexnailder will often invite guest speakers and resource people who are professional writers and poets. When studying "Of Mice and Men," Mrs. Schexnailder invited the mother of a special needs child. Students asked questions about the necessities and lifestyle of someone who requires extra care and attention. They were able to understand the concept of the book more fully with this personal hands-on approach.

Mrs. Schexnailder graduated from UL Lafayette with an English major and a Library Science minor. She and her husband Maurice are the parents of three Teurlings Catholic High School graduates: Jenni (1980 - 2002), Holli (age 26), and David (age 24). "Catholic School Educational Excellence means that each student should receive a vigorous and exemplary education, focusing on the basic core subjects as well as being surrounded daily by the Catholic faith, both spiritually and visibly." Norma is also a determined supporter and champion of St. Jude Children's Research Hospital.

### Mrs. Colette Anzalone Outstanding Supporter of the Year

Although green is her favorite color, and gardening is one of her favorite things to do for relaxation, *no grass has time to grow beneath the busy feet of Mrs. Colette Anzalone, TCH 2009-2010 Outstanding Supporter*. In addition to her full-time career, Colette dedicates herself in service to her church, her family, the community, and to Teurlings Catholic High School.

A graduate of UL Lafayette with a BS in animal husbandry, Colette is a Lab Tech for the Department of Renewable Resources at the university. She and her husband Joey have three children: Joseph III (TCH '01), Justin (TCH '03), and Jenci, a senior at TCH. The Anzalones are active parishioners at Sacred Heart Church in Broussard where she serves as a Eucharistic Minister at Mass and to the homebound and elderly of the parish. She is also a member of the Ladies Auxiliary, and has chaired committees for St. Vincent de Paul and Christmas Baskets for the needy.

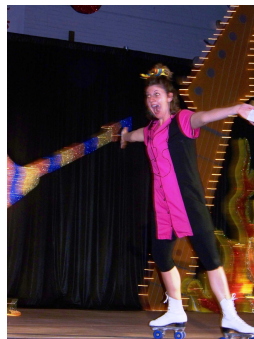

In the civic community, Colette has served as chairperson of Rebuilding Together and co-chaired the Louisiana Environmental Competition for High Schools. She is also past president of the Acadiana Resources Conservation & Development Council, Inc. Colette and Joey were honored by St. Cecilia as Supporters of the Year in 2006.

At Teurlings Catholic, Mrs. Anzalone has chaired the R.A.B.C. Silent Auction and served as a representative on the T.A.S.C. executive board for the past several years. For the past decade, she and her husband Joey have selflessly participated and contributed to TCH in various ways whether to fix the softball fence after the hurricane, renovate the Chapel, sell concessions, provide team meals and refreshment, or greet visitors as hosts at school functions. "We enjoyed our years at Teurlings Catholic with all of our children. It has been a growth experience both academically as well as spiritually."

Jody graduated from UL Lafayette in 1990 and is currently the CFO for a tower construction company. His wife, after many years of classroom teaching, is a reading facilitator for the Lafayette Parish School Board. Both he and his wife attended Catholic elementary schools and graduated from Catholic high schools (she graduated from Our Lady of Mercy). While at TCH, Jody was involved in both academic and athletic activities. He was a member of Beta Club and was area champ in Literary Rally for Free Enterprise. Our family cherishes our Catholic Faith and wishes to remain active in this faith, in particular, by serving the schools our children attend as best we can. Therefore, I would like to respectfully express my desire to apply for consideration as an advisory board candidate.”

## WISHES

Wish list items requested by teachers, moderators, and coaches, would be helpful to them in the TCH mission, "To Channel His Spirit," but are not covered in the school's operational budget. If you would like to assist, please contact Aline Norwood in the Development Office 235-5711 Ext. 105 or [anorwood@tchs.net](mailto:anorwood@tchs.net). All gifts are tax deductible.

**Coach Joe Heintz (TCH '92)** would love to enhance the equipment used by the TCH Track Team with an M-F Instant Runway. The roll-out is made of urethane and rubber which provides maximum cushioning, lasts "a coaching lifetime" and is a fraction of the cost of poured runways. It provides a fast, bouncy, and safe surface for track indoors or outdoors. The track could even be used as a protective overlay for Long Jump, Pole Vault, and Triple Jump once the new stadium/track is built! The cost, including shipping, for the 131 ft. track is **\$1,496.25**.
