THE OFFICIAL NEWSLETTER FOR PARENTS OF
TEURLINGS CATHOLIC HIGH SCHOOL STUDENTS

F E B R U A R Y , 2 0 0 8

From Our Principal...

During the first week in February we celebrate the season of Lent. It is the season which prepares us for the Easter season when Jesus died for our sins, was buried, and rose from the dead. Mardi Gras is the season of carnivals, parades, alcohol consumption, and overindulgence. Far too many needless traffic accident deaths have been reported in the newspapers these past few weeks. In most cases, alcohol was present. I encourage you to put this event in proper perspective for your children and to teach them what the season of Lent is about.

The spring semester brings many extra-curricular and curricular activities into full focus: basketball, baseball, softball, track and field, wrestling, tennis, bowling, golf, dancing, cheering, school play, speech tournaments, quiz bowl, math tournaments, Academic pep rally, passion play, prayer service, Rebel Revival, junior ring commissioning, tryouts, elections, prom, liturgies, graduation, and examinations. I encourage you to come out and support our students in these activities. The time they commit to their teams and groups and to this school is a great sacrifice. These students must carefully balance (juggle) a full class load, homework, social time, AND practice/game/performance time. Disciplined study habits are required to maintain success in the classroom. Encourage your child to stay focused, and help them manage their time wisely. 99.99% of our students become professionals in careers other than sports!

Congratulations to the Rebel Revue dance team for winning the Louisiana State Dance Championship in Hip-Hop and Jazz State Runners-up. The team also received the coveted Sweepstakes Award in Division II. The team will travel to Orlando the first week of February to compete in the National Dance Team Championship. Congratulations to the boys and girls soccer teams for winning district championships.

I hope that many of you had the opportunity to attend the school play, *Seussical, the Musical!*, at Angelle Hall on the campus of UL Lafayette. This is the eleventh school production, giving our students another opportunity to express their God-given talents. Director Cody Daigle, Speech Coach Jossette Surratt, and the student cast and crew began practicing in December and did a tremendous job.

If your child did not have a great semester report card, encourage them to move forward with determination. Some students will improve their grades with only minimal effort while others will have to work extremely hard. Education is about the joint effort between family and school. If we both do our part with determination and communication, our students will succeed.

Parking Tags

Since our return from the Christmas holidays, many students have purchased parking tags. I will issue tags to students as long as we have available spaces. Once we run out there is nothing I can do. Once a student can drive he or she may purchase a tag for \$40.00 with a valid driver's license. There is no need for a parent to call about parking. I will not issue a tag to a student who is not ready to drive to hold a spot for later in the year. I appreciate your cooperation.

Gum

As of January 16, one hundred and thirteen (113) students have received a detention for gum. Gum is NOT allowed to be chewed in class or on campus during the school day.

Drug Testing

As of January 16, the breakdown for drug testing so far this year is as follows:

Seniors: 87 tested (58%)

Juniors: 83 tested (50%)

Sophomores: 83 tested (47%)

Freshman: 65 tested (49%)

Everyone will be tested randomly at least once by the end of the school year.

REBEL RESOURCE NETWORK SEMINAR ON EATING DISORDERS

We were fortunate to have Nicole Wynne, Eating Disorder and Nutrition Specialist, to come and educate our parents on January 15th. Mrs. Wynne informed us that of ten million young girls, one million will die from eating disorders. We do realize this is an ongoing problem in our schools today. She discussed anorexia, bulimia, and compulsive eating in teens and how these disorders are treated. Eating disorders are very hard to detect and hard for people to understand. So many times a disorder is discovered in the late stages, making it more difficult to treat. These young women or men receive treatment mentally (dietitian), emotionally (psychologist) and physically (physician).

Some signs of eating disorders include:

- Isolation
- Depression
- Excessive exercise
- Loss of weight
- Baggy clothes
- Strange food behavior (separating food)
- Calorie counting
- Hair loss
- Mood swings
- Sleep disturbances

If you are suspicious of someone who may have an eating disorder, please contact Milton Rohm (114) or Anna Proctor (108) for guidance.

ACADEMICS

Marty Heintz - Assistant Principal

I know that we are still deep into winter and the 2008-2009 school year seems far off in the distance. However, we are already preparing for next school year and you and your students will soon be doing the same as registration and scheduling are just a little over a month away. There are some important changes in the scheduling process this year, along with new electives and new guidelines for our special services program. Below are some of the highlights so you can start planning with your child now.

TCH Individual Student Needs Program

First, let me make it clear that we do not offer a special education program. We do not have the resources, facilities, or faculty to do so. The Individual Student Needs Program at Teurlings Catholic High School is limited to those students with a recent (no older than three years) professional assessment on file at TCH that confirms a diagnosis of a learning disability. Only a formal evaluation from an educational diagnostician, psychologist, speech/language pathologist, reading specialist, or educational specialist in the field of learning disabilities, not a diagnosis from a family physician, is accepted. A family physician prescribes medication for ADD/ADHD but cannot diagnose learning disabilities that affect the learning process. We do have policies and a program for dispensing medication for those students who require that treatment.

If you have questions about our policies concerning special needs, please speak with the coordinator of the program Shayree Latiolais (Ext. 202). We cannot accommodate the special needs of every student.

Electives and Elective Day

I am excited with the new courses we

are offering to our students for the 2008-2009 school year. We will offer two new business courses, Entrepreneurship and Business Law. A course in Introduction to Sports Medicine is also new, along with Sociology and Nutrition and Foods. While these courses, with the exception of Sociology, are not TOPS courses, we wanted to offer our students some additional choices, along with Art, our other business courses, Psychology, Interpersonal Communication, Speech, Publications, Newspaper, Physics, Anatomy, Biology II, Spanish, French, and Physical Education.

We are also excited to be able to offer additional courses through the Louisiana Virtual School. LVS is an online provider of courses, through the Louisiana Education Department, and offers, in addition to limited core courses, electives that most schools traditionally cannot offer. In the past, TCH students have completed courses in Latin I/II, Spanish III, Astronomy, Earth Science, Computer Science, Environmental Science, Webmastering, Digital Graphics and Animation, Fine Arts Survey, Developmental Reading Essentials, and Study Skills. In addition to those classes, LVS provides Advanced Placement classes in European History, Psychology, Macroeconomics, Microeconomics, and U.S. Government and Politics, as well as concurrent admissions classes where the student gets high school and college credit at the same time. Those college

classes are offered in Advanced Mathematics, American History, English, and Fine Arts Survey.

On Friday, March 14, our 9th-11th grade students will attend our first "Elective Day." Teachers from our campus, along with LVS representatives, will present information to students on the available electives. Our students will be able to attend three presentations and learn more about our electives prior to turning in their schedule request.

Scheduling process

Mrs. Anna Proctor and Coach Milton Rohm, our guidance counselors, will present scheduling information to students the week of March 3-7 in classrooms. Students will receive a schedule request form which must be returned to the homeroom teacher on Wednesday, March 19. Schedules for next year will be issued in May and schedule changes will be handled the week of June 2-6.

Information on the process, as well as descriptions of our courses, will be placed on the TCH website during the month of February: www.tchs.net. If you have any questions regarding scheduling, courses, or graduation requirements, please call me at 235-5711, Ext. 103; Mrs. Proctor at extension 108; or Coach Rohm at extension 114.

TOUR de FORCE

We are very proud of our faculty and staff. Many have achieved status above and beyond the call of duty; all are terrific with the students. This column is designed to feature accomplishments of those faces on campus.

Congratulations!

The following teachers received nominations for Teacher of the Year from the Lafayette Education Foundation: Dawn Aucoin, Milton Rohm, Pat Rohm, Anna Proctor, Mike Doherty, Nicole Blazek, Liz Snyder, Linda Doherty, Kim Hardy, and Sonny Charpentier.

Mike Boyer was the keynote speaker at the black-tie ceremony honoring outgoing LHSAA Commissioner Tommy Henry.

VERY IMPORTANT MESSAGE!!!

If you are visiting the school during school hours, please park in the driveway in front of the main office. All parking lots, including the one in front of the office, are assigned to students and/or faculty and staff. We thank you for your cooperation.

PenniesFromHeaven

There are many opportunities in which funds are generated for our school and with no extra cost to our families. Thanks!

MARYKAY

When you buy Mary Kay products from Independent Beauty Consultant, Tjuana Chambers, a portion of the profits goes to TCH! Call her at 254-2889 or email at tjuanachambers5497@marykay.com. Also, visit her website for the complete product line, current promotions, free gift with purchase, and more at www.marykay.com/tjuanachambers5497. In honor of Catholic Schools Week, an additional 15% profit will be donated to our school during the months of January and February!

INK CARTRIDGES

Coordinate your empty laser and inkjet printer cartridges to help TCH earn free computer technology. Drop them off in the front office or to Mrs. Shayree Latiolais.

COMMUNITY COFFEE

All Community Coffee product UPC/bar code labels are accepted by Toni Dueitt (Ext. 107) anytime of the year. Also, you can save your CC's receipts! Each label or receipt is worth up to 15 cents. Funds are earmarked for the library.

OFFICE DEPOT

While shopping at Office Depot, help TCH get school supplies. Just give them the ID Number: 70042050.

ALBERTSONS

Use your scan card, and a percentage of your grocery bill earns cash for TCH. Visit www.albertsons.com. Click on "In The Community" then click on the Community Partners logo link. Once you log in, click on "Sign me up." Money earned goes directly back into TCH Academics!

WINN DIXIE

Shop at any Winn-Dixie or Winn-Dixie Marketplace store anywhere in the U.S. and at the end of each quarter, TCH can receive a check. All you need is a Customer Rewards card and a Community Pals scan card, which are used at the time of purchase. It costs you nothing! Community Pals scan cards are available in the TCH front office.

Righteous Rebels

This column is designed to recognize the accomplishments of our students in the areas of academics, athletics, and extra-curricular activities at school or around the community. Parents, teachers, coaches, sponsors, moderators, and pastors are invited to "brag" about a student by sending information to Maria Hanes in the Admissions Office - Fax 234-8057 or email - mhanes@tchs.net. Spread the good word!

Diocesan Outstanding Teacher/Supporter Awards

On Sunday, February 17, the Diocese of Lafayette will recognize outstanding teachers and Catholic school supporters from throughout the diocese. Teurlings is proud of our 2007-08 representatives: Teurlings Catholic Teacher of the Year, **Mr. Terry Hebert**, and Catholic School Achiever/Supporter of the Year, **Mr. Herman Landry**.

Mr. Terry Hebert
Outstanding Teacher of the Year

Mr. Terry Hebert was selected Outstanding Teacher of the Year by students and faculty at Teurlings Catholic High School. For the past three years, Mr. Hebert has been teaching physical science to freshmen classes and serves as assistant volleyball coach for the Lady Rebel District 5-AAAA Champs and State Semi-Finalists.

Mr. Hebert is the smiling face that greets students driving into the parking lot on Friday mornings and is usually the last smile they see as they leave for the weekend on Friday afternoons. He chats with students as he checks for I.D. in the cafeteria and at the gate at Clark Field during football season. Mr. Hebert is also the co-sponsor of the school's chapter of Fellowship of Christian Athletes (FCA).

"He makes it fun and exciting to learn physical science by using experiments and giving demonstrations," says freshman Megan Harrelson. "Not only does he give us the facts, he shows us how things actually work!"

"For me," says Hebert, "what Mr. Boyer always says rings true, 'A Catholic education is not just an education in a Catholic school. What we teach and how we teach is based on the principals of our Faith.' The morals, values, and professional ethics expected of us all here at TCH are based on the teachings of the Catholic Church. Those fundamentals are paramount to me in my personal life as well as in my profession."

Since 1996, Mr. Hebert has been the head coach and director of the Southern Spikers Volleyball Club. Prior to his tenure at Teurlings Catholic High School, Mr. Hebert was assistant volleyball coach at E.S.A. and at the University of Louisiana/Lafayette.

Mr. Hebert received his degree from the University of Louisiana/Lafayette. He and his wife Meredith have two beautiful daughters; Ariana, a first grader at St. Genevieve School, and Isabelle, 20 months.

Mr. Herman Landry
Outstanding Supporter of the Year

"Unselfish and noble actions are the most radiant pages in the biography of souls." D. Thomas

Teurlings Catholic High School is very grateful to Mr. Herman H. Landry, our 2007-08 Diocesan Achiever/Supporter of the Year. Service to church, school, and community is not a new concept for Mr. Landry. He has been doing good things behind the scenes for many years. In the 60's and 70's, when his children attended Teurlings Catholic High School, Mr. Landry was an inaugural member of the school board and very instrumental in broadening the progress and success of the school. He also served as the finance chairman of the TCH Athletic Booster Club and coached youth football for several years. At St. Genevieve School, he served as president of the parent/teacher organization.

Today, Mr. Landry's support continues as his grandchildren attend Teurlings Catholic High School. He has worked on the steering committee for the school's capital campaign and has been a major contributor to the new facilities and improvement projects around the campus. He is a Lifetime member of the Knights of Columbus, serves as Eucharistic Minister at St. Genevieve Church, and remains active in the Cursillo Movement for laypersons in the church. Coach Sonny Charpentier sings accolades about this year's honoree, "Herman 'T-Boy' Landry has been one of the most loyal and consistent supporters of Teurlings Catholic High School. His record of devotion spans over five decades."

Mr. Landry graduated from Cathedral Carmel School and earned his degree in accounting from the University of Louisiana/Lafayette. He is currently the CEO of an Oilfield Consulting Firm. Mr. Herman has been married for 55 years to Betty A. Roberts Landry. They are the parents of two TCH alum; Ricky TCH '74 and Mona TCH '78. "Having been instructed by the Christian Brothers, I was taught the value of life. It has also helped me develop hard work ethics and discipline. My children were also schooled in the Catholic education system and learned the morals of Christianity and respect for others."

Campus Ministry

Rebel Revival: "A Fresh Start with God"

The Retreat Ministry class put on a "refreshing" Rebel Revival on January 9th to help students start the new year on the right foot. The theme was "Start fresh with God" in hopes that everyone would start off the new year putting Christ first and striving to do His will out of love for Him. An outdoor fire burned brightly as students placed in the fire things in their life they wanted to give to God and change for the new year. *Special thanks to Emily Fortier and Austin Proctor for their leadership and creativity.*

"The Road Behind Us, The Journey Ahead": Senior Retreat 2008

Dry Creek Camp in Dry Creek, La was the setting for the senior retreat January 12th-13th. Throughout the weekend, seniors challenged themselves and faced their fears on the high ropes course, participated in team building activities on the low ropes course, created pinch pots with pottery, and wrote journals about their lives up to this point. The retreat was an unforgettable experience as the seniors spent quality time with their classmates, read heartfelt letters from their parents and family members, and were spiritually moved while opening their hearts to God. The retreat ended with mass celebrated by Fr. Buddy Breaux in the piney woods overlooking a bonfire and a beautiful pond. Everyone could feel Christ's presence. *Many thanks to all parent chaperones and faculty members who assisted in making the weekend a success!*

Thou Shall Not Judge!

A Prayer Service was held in the gym on January 9th promoting acceptance and love for one another, no matter where they come from, what they look or act like, or their background. **Coach Sonny Charpentier** encouraged students to look inward before pointing out someone else's faults or differences. A skit was performed by the sophomores depicting the journey one may go through while struggling with being accepted. *Thank you to Mrs. Liz Snyder for her guidance of the sophomores as they planned a powerful prayer service.*

Trip to DC...

A group of over 40 students and faculty members attended the National Right to life March in Washington, D.C. on January 22nd. The group departed for D.C. on January 19th to experience historical museums and monuments of D.C. and prepare to march with thousands of other pro-lifers on the 22nd, which is held every year in D.C on the anniversary of Roe vs. Wade. We will resume our TCH Walk for Life next year, as this year a group of our seniors in Campus Ministry will be participating in the Notre Dame Catholic High School Walk and Rally on January 29th featuring Tony Melendez.

Catholic Schools Week ~ "Catholic Schools Light the Way"

Januray 27th – February 1st

In honor of Catholic School's Week, we send special prayers to all of the Catholic Schools and Church Parishes that bless us with their support and kindness throughout the school year. God Bless!
