THE OFFICIAL NEWSLETTER FOR PARENTS OF
TEURLINGS CATHOLIC HIGH SCHOOL STUDENTS

J A N U A R Y , 2 0 0 8

From Our Principal...

Record? Is it *ri kôrd* or *rek'ard*? Does it mean to write down for future use or a grooved disc for playing on a phonograph or the best official performance attained? With the proper equipment, you can record a record on a record.

The first semester has been completed and grades have been recorded and report cards will be distributed January 11. Those grades are a permanent record of the students' efforts during the first semester. Some students have exemplary grades and established a record G.P.A. Some students fell behind and also established a record G.P.A. I don't want to sound like a broken record, but if you have any questions concerning your students academic progress, please call the teacher.

In an effort to continue our mission into the future, 8th Grade Day and Open House was held in November on the TCH campus. We experienced record numbers of participants and anticipate a high volume of applications for the 2008-2009 school year. We enjoyed the opportunity to not only share information regarding the rich tradition of a Teurlings Catholic education, but to showcase the product, our students. Families were searching for the appropriate high school environment for their children, and our students and teachers did a fantastic job of presenting what is Teurlings Catholic.

A record number of Thanksgiving meals were prepared and delivered by the sophomore class as part of TCH Feeds the Hungry. A special thanks to all parents who donated time to assist their children in this very worthwhile project. The athletic department established records in attaining first ever 4-A district championships in volleyball, football and girls cross country.

We hope to sell and record a record number of \$10,000 Raffle and Silent Auction tickets this year. Please come out and attend this evening of food, fun, and dance. This project is co-sponsored by the Teurlings All Sports Club and the Rebel Academic Backers Club. The proceeds of this event will assist every student on our campus by providing state-of-the-art technology.

The track record at Teurlings Catholic is the heart and soul of our school and is in direct proportion to that of our students, parents, grandparents, teachers, and staff. We will never be "off-the-record" in reporting how we feel about Teurlings Catholic.

MORE SEMINARS SCHEDULED

Our second parent seminar with Dr. David Legendre in November went so well we will attempt to offer a seminar every month. Parents were able to ask Dr. Legendre several questions about their own children and how to handle certain situations at home. We had a great turnout for this event.

Our next topic will be, "**Eating Disorders/Weight Management in Teens.**" Mark your calendar for **Tuesday, January 15th at 6:00pm** in the chapel. Our guest speaker will be Nicole Wynne, a dietician who specializes in eating disorders. It has been an increasing concern, especially with our female population over the last several years. It is helpful to know the signs and symptoms in order to prevent this from happening to your child. Any parent is welcome to come and bring a friend.

We have several topics scheduled for the rest of the year, but if you have a specific one you would like to see, email me and let me know.

A message from Mr. Tim Melancon of the Rebel Resource Network:

It is hard to believe that we are already halfway through the school year. The Rebel Resource Network would like to remind parents that you can be a most valuable life long role model for your teen by setting positive examples. Because we love our children, we should take our responsibilities as parents seriously. This includes doing the right and appropriate things ourselves. During the upcoming months, there are many opportunities for parents to demonstrate these positive examples, especially during Christmas, New Year and Mardi Gras when consumption of alcohol is readily available. Please don't abuse alcohol or any substance.

The Rebel Resource Network is open to any TCH parent and new members are welcome at anytime. If you would like to help plan speakers and events by becoming a member of this informative parenting network, please contact Mrs. Terri Baudier at 235-5711 (Ext. 102) or email tbaudier@tchs.net.

Helpful tips if your teen is going to a party:

1. Make sure there will be parental supervision and no alcohol will be served. A tactful call to the host may be advisable.
2. Know where your daughter/son is going and with whom. When taking your teen to a party, go to the door and introduce yourself. If you already know the family, at least wait until your child is inside the house.
3. Make it easy for your teen to leave a party. Agree that they can call you (or another adult) to come for them if there is any reason why staying is uncomfortable.
4. Urge your teen NEVER to ride home with a driver who has been drinking.
5. Be awake to greet your teen when they come home.

ACADEMICS

Marty Heintz - Assistant Principal

“A new year, a new start” – we’ve all heard this, over and over, every January. I like to look at education as the one field where you get two fresh starts. Think about it – students (and teachers) start a new year every August and get to start another new year in January. It gives us all two shots at changing things that need to be changed. I like to think of myself as an optimist, so I really like the idea of being able to make two sets of resolutions and fresh starts each calendar year. Hopefully, you and your student will also look at the beginning of 2008 with the “glass half full rather than half empty” sentiment. Our students have half a year left to change the course of their academic careers if necessary. Even a small change for many students can have a profound impact on the GPA and test scores. Every student at Teurlings, from the student with the perfect 4.0 GPA to the student who is worried about passing a course or graduating, can benefit from some small changes or goals that can have a major impact. Encourage your child to pick one of the following and resolve to really focus on the goal throughout the second semester:

- Read for half an hour every day. School assignments don’t count; this needs to be extra reading practice. It really doesn’t matter what he or she reads, and, yes, the newspaper and *Sports Illustrated* are good choices. All the research says the same thing – students who read score higher on the ACT and other standardized tests.
- Use the agenda and write down every assignment. Then,

refer to the agenda every night and complete the assignments. Homework points lost kill many a student’s grade, while homework points from completed assignments often result in a higher letter grade. If you keep up with K-12, you know in most classes homework is generally the equivalent of a letter grade in the course of a quarter.

- Rewrite notes and review them nightly. Does your child wait until the night before a test to try and learn an entire chapter? Simply rewriting the notes and reading over them nightly can make a big difference in the amount of time required to study the night before a test – and the quality of that study.
- Organize study materials. If a student can’t find the notes or the homework or the study guide – well, you get the picture. Get a new, big binder, and looseleaf paper in different colors, and dividers to organize so nothing gets lost. The different colored paper you can find at the discount and drug stores will really help with organizing notes.
- Turn off the TV, radio, cell phone, and computer during study time. Kids don’t focus when they are listening for the sound of a friend texting or instant messaging. As adults, we know all too well how distracted we can get if the television is on while we try to work on something. Turn them off. Start small, with half an hour each night of time devoted to study without distraction.

Small goal, big results. What do you or your child have to lose?

2008-2009 APPLICATION & ENROLLMENT PROCESS

APPLICATION

On January 7th, applications will be sent home with 8th grade students at our feeder schools. Please return the completed application and required documents by January 31st. Failure to do so will result in the application being returned to you for completion, thereby delaying the admissions process of your child. Siblings of students currently enrolled at TCH must also follow these same procedures and comply with the deadlines. Failure to remit your child’s application by the deadline will result in the student being placed with those on a waitlist. Due to the volume of applications, all deadlines will be strictly enforced. Letters of acceptance for registration will be mailed out by mid-February.

Enrollment packets for our current 9th, 10th and 11th grade students will be mailed the first week of February. While re-application is not required for current students, the below registration dates do apply.

REGISTRATION

Registration will be held on March 5th, 6th, and 7th. It is mandatory that parents register their students within the specified dates to assure their enrollment status.

All Saints Mass

On November 1st, all TCH and St. Genevieve Middle students walked to Calvary cemetery to attend a special All Saints mass. Fr. Mallet, pastor of St. Genevieve Church, was the celebrant. He also proudly announced two new seminarians of his parish, Cole Ruckstuhl and Dustin Dought, graduates of the TCH class of 2005.

TCH Feeds the Hungry

The sophomore class lead us in our annual "TCH Feeds the Hungry" event, a community service project on Thanksgiving Day in which over 400 home cooked turkey dinners were delivered to area families in need. Parents and students shared time, talent, and food to make the event a success. *Special thanks to Liz Snyder, Joe Heintz, Charlotte Villejoin, Mr. Mike Boyer, and all of the donors and families. This event was a wonderful way to spend part of the Thanksgiving Holiday.*

"In Your Face"

A group of students attended the "In Your Face" Youth Conference in Alexandria, Louisiana on December 1st. The day was filled with prayer, reflection, praise & worship, and a special encounter with Jesus Christ through Adoration. Several people shared their testimonies and faith journeys with the youth. The day was wonderful way to begin the season of Advent.

Spreading the Word...

Over the past couple of months, the freshman and sophomore classes each experienced a special class retreat. On October 31st, the sophomores met as a class to experience God's love and deepen their personal relationship with Christ. The day was filled with class bonding experiences, prayer, reconciliation, and a chance to deepen their faith. The freshman class gathered together on November 28th for their first retreat experience as a class. The theme was "God is Sweet" and the retreat focused on God's eternal love for us and the importance of prayer and Jesus' love in our hearts. *Special thanks to Christina Angelle and Sarah Houston for planning the Sophomore Retreat and to Danielle Hebert and Lindsey Richard for planning the Freshman Retreat.*

Season of Advent

The name "Advent" comes from the Latin words, "advenire" (to come to) & "adventus" (an arrival), and refers to Christ's coming into this world. During this time, the Church requires the faithful to prepare for the celebration of the feast of Christmas, the anniversary of the birth and coming of Jesus Christ. During the season of Advent, students in **Mrs. Leslie Bergeron's** class lead the school each Monday morning in the Advent Prayer and the Lighting of the Candles on the wreath. On the evening of Wednesday, December 12th, the Freshman class presented the "Live Nativity" of our Lord. *Thanks to Mrs. Adrienne Brame and to Ms. Tiffany Dugas who planned the evening's events!*

Bishop Michael Jarrell

On Thursday, December 13th, TCH was blessed to have the **Reverend Bishop Michael Jarrell** present on our campus to celebrate mass. Seminarian **Cole Ruckstuhl TCH '05** and seven of our owner pastors were also present: **Fr. Marty Borchering**, Chancellor of TCH and pastor of St. Elizabeth Seton; **Fr. Thomas James**, pastor of Immaculate Heart of Mary; **Fr. Paul Bienvenu**, pastor of St. Peter; **Fr. Robie Robichaux**, pastor of St. Leo the Great; **Fr. Curtis Mallet**, pastor of St. Genevieve; **Fr. Buddy Breaux**, pastor of Our Lady of the Assumption; and **Fr. Paul Lafleur**, pastor of St. Bernard.
