From Our Principal...

Memory is defined as the process of remembering; that which is recalled or remembered; “the diary we all carry about with us” (Oscar Wilde). If you type the word *memory* into your Internet browser, you will find hundreds of sites that will sell you memory for your computer. In a ten-month school term hundreds of events take place, either academic, athletic, or social. We celebrated our 50th Anniversary which spurred memories of those who walked our campus in years past. We will remember that our state was rocked with tragedy, we buried young and old, we prayed, we gave shelter and donated to the needy, we won and we lost contests, but like *Cinderella Man*, we never gave up. Everyone in the Teurlings Catholic community should be commended for supplying so many positive memories this past school year.

What follows is a listing of accomplishments which will serve as lasting memories for many at Teurlings Catholic: Student Council helping to raise \$10,000 for hurricane relief; Algebra I students raised \$1700 in a Math-a-Thon for St. Jude’s; National Dance Team of the Month; National Runner-up Bareback Rider Jeremy Mouton; National 4th place Hip Hop Dance Team; Four National placers in Speech and Debate; State Champion Speech and Debate and Hip Hop Dance teams; State Champion Chris Begnaud in Swimming, Evan Thompson in Judo, Greg Vizina in Wrestling; State Runners-up Wrestling, Boys Soccer, and Jazz Dance; District Beta Governor Madison Montelaro; Sweet 16 Girls Basketball, District Champions Girls Basketball and Softball; *Wizard of Oz*; Academic Pep Rally; T.A.S.C. \$10,000 Raffle, R.A.B.C. Silent Auction; Seven District Literary Rally Champions; All Saints Liturgy at Calvary Cemetary, Feed the Hungry Thanksgiving Meal, Live Nativity, Right to Life March; Key Club Halloween Trick or Treat Night and Easter Egg Hunt; Senior Christmas Luncheon; Prom; Holy Thursday Passion Play; Senior Crawfish Boil; construction on new classrooms and athletic complex; and all of our “Rebels for Christ.”

As we enter into the final month of our 50th year of quality Catholic education, many opportunities remain for lasting memories. Here are a few: Senior Exams May 9-12, Underclassmen Honors Night May 8 at St. Genevieve Catholic Church, Junior Commissioning Mass May 11 at St. Elizabeth Seton Catholic Church, Senior Honors Convocation May 21 at St. Elizabeth Seton Catholic Church, Baccalaureate Mass and Graduation at the Heymann Center on May 22, and the underclassmen examination schedule May 25-29.

To get memory for your computer all you have to do is order it and pay for it. To create a memory while in school you have to give of yourself personally. I hope you have a personal diary full of great memories from the past school term. Your memories may be in direct proportion to your efforts on or about campus. Our seniors have had the opportunity to create many wonderful memories. What a great future lies in front of our underclassmen.

Important Uniform Changes for 2006-07!

BACK TO THE BASICS

Following our annual uniform evaluation, there will be a couple of adjustments and one major change to uniforms beginning with the 2006-07 school term.

There will be no extra cost involved with these changes or adjustments, but they will bring about more consistency in the student uniform.

SHOES: Students will have the option of one style dress shoe or one style tennis shoe for next school year. The shoes selected by the students are affordable. A complete list of the required shoes will go home before the end of this year. The required shoes will be available at several stores in and around Lafayette, at some of our uniform vendors, online and at TCH during the summer. Due to the popularity of the shoes chosen, no student should have any problems getting the required

shoes.

PANTS (boys & girls): All pants must have a TC logo on the right back hip from one of our vendors. All new pants will have them when purchased and all students with current uniform pants will be able to get a logo put on at no charge at any one of our uniform vendors.

GIRLS' SHORTS: All girls' shorts will also require a TC logo on the bottom left front leg of the short. This logo will tell us that the shorts were measured at the required length when purchased. All new shorts will have them when purchased and all girls with current uniform shorts will be able to get a logo put on at no charge at any uniform vendor.

All other uniform items will remain the same, and a complete list of our complete uniform code, plus all new information will be sent home before the end of the year. Any questions, please give me a call at 235-5711, ext. 102.

VENDORS

ACADEMICS

Marty Heintz - Assistant Principal

“Why do we have to read books over the summer?”

If I've heard this question once, I've heard it a thousand times, in one form or another from our students, parents, and, yes, even my own children when they were Rebels. We require all our students to read at least one novel in the summer, more if the student is enrolled in our honors courses. All students are tested on the book or books. To quote the students, “no one gets cut any slack” when it comes to our summer reading program.

But, again, why do we ask our students to read over the summer? Summer is supposed to be a time for fun and relaxation, not school, isn't it? That's true to a point. And, I think everyone will agree that reading one book during the summer break is not that time consuming, leaving more than ample time for students to recuperate from the academic year. I hate to fall back on the “research says” but...research does indicate that students who do not (in the words of Mr. Boyer) “massage the brain” during the long summer vacation tend to forget much of the material they learned the previous school year. That research is precisely why some school districts have gone to year-round school calendars with shorter breaks and why all teachers must spend some time at the beginning of the school year reviewing material from the previous year. Many students, without summer reading, would not touch a book for two and half months.

There are schools that have more rigorous summer reading programs, and there are schools that have no requirements. We choose a middle ground: one book for everyone, more for honors students. Teurlings is also flexible in the testing program for summer reading. For those students who wish to read the book early in the summer, we provide testing on three dates during the vacation, as well as during the first week of school. We also offer students the opportunity to read an additional book for

extra credit.

If you have any questions or concerns about summer reading, please feel free to call me or our English Department Chair Vivica Marino.

Summer Reading Requirements

This information was provided in a letter to all returning students in late April. Students will be tested on the required novels during the first full week of school. Tests are also administered during the summer, from 10-11 a.m. on June 14, July 19, and Aug. 2 in the school library. The

tests are a combination of objective (multiple choice, true/false, fill in the blank, etc.) and essay/short answer questions. Grades for the tests are included in the first quarter grade. All students must take the tests, even those who register late. Vocabulary guides for the books are on the TCH website.

You may purchase the books at any bookstore. They also are available at the library in limited quantities. If you have a question about the author, please consult the TCH website. The required books are listed below.

Passion Play

Once again, on Holy Thursday, the seniors of Teurlings Catholic put on our annual Passion Play. The seniors spent much time preparing for the Passion of Our Lord. Students arrived to school early and began celebrating the Easter Season with this incredible production. The play began on the deck with the sentencing of Jesus and continued through campus with The Way of The Cross. The crucifixion took place on the cross in front of school. As the students returned to class to watch “Cinderella Man,” the seniors remained on the crosses for the living crucifixion. The Passion Play ended in the Rebel Dome with the Resurrection of Jesus. We would like to extend our special thanks and gratitude to the following people: to the seniors for their time and dedication, St. Bernard School for loaning us their tomb, Mrs. Cathy Campora for providing palm leaves, St. Genevieve 8th graders for participating in the Resurrection, Mrs. Joyce Benoit for hand making each costume in the play, Mr. John Rabalais and Mr. Chip Devillier for updating the crosses, and to everyone who contributed in some way. *Please see page 8 for pictures.*

The Rebel Open golf tournament brings focus to the efforts of the Teurlings Catholic High School Foundation. The primary purpose of the foundation is to assure the longevity of Catholic education at Teurlings Catholic High School by establishing an endowment trust fund. The interest from the fund will be made available to the school to handle pressing needs as diverse as providing tuition assistance for needy students, chairing a faculty member, or making physical improvements to our campus. We have committed ourselves to building a successful and vital Foundation and appreciate all who have become involved in the effort.

GRADUATION 2006

Seniors and Parents

Graduation will be here before we know it! So that you may begin preparations for the “Big Events,” please note the requirements to be met by each student in order to graduate and the dates and times for senior and graduation events.

Graduation Requirements

- ◆ All debts to Teurlings Catholic High School, including tuition and fees-for lost textbooks, library fines, and balances with the cafeteria, must be cleared before a senior will be allowed to take his/her exams, which begin on May 9, 2006.
- ◆ In order to receive a Teurlings Catholic High School diploma, a student must pass a total of 26 units including all state-required courses. A student who fails to qualify under this standard may participate in graduation exercises if, and only if, he/she passed a total of 23 units, including all state-required courses and Theology IV. Such students will not receive a TCH diploma, but a diocesan diploma.
- ◆ Any senior student who receives a grade of “Incomplete” in Theology IV or fails Theology IV for the year will not be granted a TCH diploma and will not be permitted to participate in graduation ceremonies.
- ◆ Please refer to the TCH Student-Parent Handbook for clarification of the aforementioned requirements and policies.
- ◆ Any student who is determined by the sponsors, faculty, or administration to be under the influence of alcohol or any otherwise inappropriate substance during any school-sponsored event will not be allowed to graduate on stage or to participate in any other graduation event. Such students will also be subject to disciplinary action.

Dates and Times of Events
