

REBELATION

THE OFFICIAL NEWSLETTER FOR PARENTS OF
TEURLINGS CATHOLIC HIGH SCHOOL STUDENTS

NOVEMBER/DECEMBER, 2005

From Our Principal...

Teurlings Catholic has so much to be thankful for as we have been blessed with so many gifts. The gift of a Catholic education for our children. The gift of your children. The gift of new students on our campus due to Hurricane Katrina. The gift of a dedicated and motivated faculty and staff. The gift of loyal alumni and tremendous community support for our mission. The gift of parents who volunteer much time as substitutes, assist in many of our activities and serve on various support boards.

The friends of Teurlings Catholic High School are wasting no time in meeting the Capital Campaign's fundraising goal for 2005. Your generous contributions are making a substantial impact on the continued success of our vision to improve our facilities as we Grow In Faith Together (GIFT).

We have the necessary funds to begin construction on the New Classroom Wing and much-needed renovation of the old Jr. High classrooms very soon. These improvements will enhance the educational environment of the school and strengthen its ability to attract and retain quality students and faculty.

During this last quarter of 2005, we are moving into **the next phase of our campaign, The Athletic Complex, Football Stadium, and Track.** We have already begun the earth-work in preparation for the construction of the Athletic Complex. In order to begin construction, **we need to raise approximately \$250,000** to supplement the \$200,000 already earmarked for this project. The future Athletic Complex (to be located behind the existing gym) will house a weight room, training room, locker room, and shower/laundry facilities, as well as offices for coaches and staff.

Many people think that only large, extraordinary gifts count in a capital campaign-or only gifts of endowments or buildings. This is not the case. Absolutely everything counts! Donors to Teurlings Catholic High School are special people to whom we all feel an enormous debt of gratitude. We are humbled and honored by your generosity, as well as your continued prayers for the effectiveness of the Teurlings Catholic High School Capital Campaign.

Upcoming events include All Saints' Liturgy at Calvary Cemetary, Blood Drive, Sophomore Retreat, Veterans Day Liturgy, 8th Grade Day, Open House, TCH Girls Hoopfest Basketball Tournament, TCH Feeds the Hungry on Thanksgiving Day, Advent Prayer Services, Adopt-A-Family for Christmas, Live Nativity Prayer Service and semester examinations. This listing clearly reflects the excellent job being done by the faculty and students at TCH and their commitment to and cultivation of their special gifts.

We would like to thank everyone who has given so much of themselves to make Teurlings Catholic the school that it is. The gifts that our faculty, students, and parents possess is the heart and soul of our school.

DISCIPLINE

GAMBLING: IS YOUR CHILD AT RISK?

At the end of last year, there seemed to be a craze in card playing. Students were trying to play cards every free minute of the day, and I realized that it was becoming a problem. Although cards are not allowed on campus, students tried to play and keep track of points and after school they would settle their debts or collect their winnings. Our SADD sponsor, Mrs. Kim Hardy, sent me an article that she came across in one of the club newsletters; it made me realize just how serious this problem was among high school students today. The article, "Risking It All: What Teens Need to Know About the Rise of TV Poker and Internet Gambling" (December 2005) is about a teen who got hooked on Texas Hold 'Em, from watching Poker on TV. The teen started out playing on Friday nights with friends, then it became a couple of nights a week, and he eventually turned to online gambling sites losing up to \$7000 in one night. What starts out as a pretty innocent card game for some can turn into a serious addiction for others. Parents need to be aware that there is a fine line between playing cards for fun and playing out of control. Several seniors last year told me that they had won or lost \$200-\$300 in one night playing cards with friends, and they would play all night long on a school night. Another scary thought is that anyone can get online and bet with a valid credit card number regardless of his or her age. The Federal Trade Commission has issued a strong warning to parents

and teens about the dangers of online gambling. If you need more information, or help, please go to www.gamblersanonymous.org.

CAMPUS THEFT

It is hard to believe that students steal from one another at a Catholic school, but it does happen. Within the last two weeks, several students have had watches and/or money taken from their book bags or clothes while at P.E. or practice after school. I constantly remind students not to leave money or valuables hanging around. Every student has a locker with a lock on it to keep all valuables safe. Students in P.E. classes have been told by their teachers not to leave valuables in the dressing rooms and have even offered to lock up items in their offices while in P.E. class. It is up to the students to be responsible for their valuables (gloves, bats, practice gear, cash, jewelry, etc.). I truly wish that I could say that everyone here is honest and trustworthy, but unfortunately that is not the case.

HOMECOMING A HIT!

The Homecoming Dance went really well. The decorations done by Mrs. Brame and the Student Council were so unique. The students seemed to have a great time even though it was a bit crowded. I was proud of the fact that all students were in the gym by 8:15! A special thanks to Mrs. Adams, Mrs. Aucoin, Mrs. Brame and Mrs. Farris for making Homecoming a special time for all!

ACADEMICS

Marty Heintz - Assistant Principal

Parent-Teacher Conference

We had a spectacular turnout for Parent-Teacher Conference Day, especially in the lower grades. For some reason, we normally do not have the numbers turn out for the junior and senior classes as we do for the ninth and tenth grades. For the record, 45 of our 678 report cards were not picked up. This means 94 percent of our parents picked up report cards! While not every parent met with teachers, the positive feedback I received from the faculty was that they saw the parents they felt they needed to see, which is fantastic. When a student is not doing well academically, that contact between parent and teacher is vitally important in helping to resolve the situation.

If you were unable to meet with a teacher on that day and feel there is a need for a conference, please email or call the teacher and he or she will be happy to arrange a conference time that is convenient. If you have trouble reaching the teacher, please contact me and I will make arrangements for you.

Mid-Term Examinations

The holiday season is rapidly approaching and by the time you receive your next newsletter we will be entering our second semester. Semester exams will be over and graded. For those of you who are new to the TCH family (and we can all use a reminder now and then) all TCH students are required

to take midterm exams in all subjects. The only exceptions are in Athletic PE, Acting II/III, Yearbook, and Newspaper. Students in every other course must take a midterm exam and that exam grade counts for one-fifth of the student's semester grade or one-tenth of the total year grade, if you prefer to see the value that way. In other words, exams are serious business on the TCH campus. The tests are comprehensive, covering all material taught during the semester. Exams are objective (multiple choice, matching, true/false, etc.) and subjective (essay questions, short answer). In English and Social Studies, because we are participating in a state writing grant, the essay portion of the exam will be completed ahead of time so that all our classes can use the state grant computers. However, the objective portion of the exams for those classes will be administered during the normal exam dates.

Students who miss an exam must take it beginning January 9, with up to two exams per day until all tests are made up. The make-ups are given in the library, beginning at 9 a.m. each day so students who are taking the make-ups will miss classes. You can see why it is vital that students be here to take exams during the scheduled dates. **The exam schedule is printed in this newsletter on page 10.**

How we calculate student grades for the year is shown below.

Formula	Example
1 st quarter grade times 2	94 x 2 = 188
2 nd quarter grade times 2	76 x 2 = 152
<u>Exam grade times 1</u>	<u>88 x 1 = 88</u>
TOTAL divided by 5 equals semester grade	428 ÷ 5 = 85.6 or 86/C
Semester 1 grade	86
<u>Semester 2 grade</u>	<u>74</u>
TOTAL divided by 2 equals YEAR grade	160 ÷ 2 = 80/C FINAL

Campus Ministry

Retreat Team Workshop

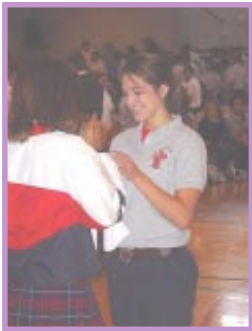

A Retreat Team Workshop was held on Sunday, October 9th, to prepare the Retreat Team for the upcoming feeder school and TCH retreats. We look forward to watching the retreat team plant God's seeds of faith.

Make God Your Reality

"Make God Your Reality" was the theme of this year's Freshmen Retreat. The retreat focused on the false messages our media sends to society and how these messages affect our faith and the decisions we make on a daily basis. The day was filled with games, humorous skits, and moments of reflection and prayer. Special thanks to **Teryn Clause, Colby Melvin**, and all retreat leaders for a successful day!

St. Pius Elementary meets TCH

On October 18th, TCH Retreat Ministry met St. Pius 8th graders at DeLasalle for a wonderful retreat experience. The theme was "Mission Possible," concentrating on each individual's journey to God. The students had a great experience sharing much laughter, quiet moments, and prayer. Congratulations to **Avery Prejean, Kyle Campbell** & all retreat leaders for a fulfilling day!

Congratulations to our newly commissioned Eucharistic Ministers!

A awesome job by **A dam Conque** TCH '03 and the NEW Music Ministry!

COUNSELOR'S CORNER

Anna Proctor & Milton Rohm

~ All freshmen and sophomores took the practice ACT test on October 26th. The scores will be sent home with the 1st semester report cards in January.

~ All juniors are encouraged to register for the ACT test. The next test is scheduled for December 10th. The deadline to register is November 4th. It is our recommendation that 11th grade students take the ACT test at least two times during the school year.

~ A reminder to all seniors that the LSU scholarship deadline is November 15th. All other deadlines are posted in room 25. All seniors are encouraged to apply early to the colleges in which they are interested. Guidelines and helpful tips can be found in the senior booklet sent home with the parents.

Eat, Dance, Shop & Win \$10,000.00!

For over two decades, the **Teurlings All Sports Club (TASC)** has sponsored an annual \$10,000 raffle and dance on a Saturday in late January or early February. Proceeds from this "Night of Fun" are allocated for the athletic programs at Teurlings Catholic High. The athletic program has been self-sufficient over the years largely due to the success of this event.

In conjunction with the dance, the **Rebel Academic Backers Club (RABC)** hosts a Silent Auction. Proceeds from this part of the evening are designated for the advancement of TCH technology. The event is well attended and highly publicized. Everyone has a great time and most return year after year. This year's Raffle, Dance and Silent Auction will be held on **January 28, 2006**, at the Dupuis Center at Brown Park on Pont des Mouton Road.

Make plans to join other TCH supporters for food, drink, music, dancing, and yes, shopping! And some lucky person will walk away with \$10,000.00! **Tickets are \$100/couple and can be purchased by calling Tina Stroderd in the Athletic Department at 235-5711, Ext. 110.**
