

REBELATION

THE OFFICIAL NEWSLETTER FOR PARENTS OF
TEURLINGS CATHOLIC HIGH SCHOOL STUDENTS

NOVEMBER/DECEMBER, 2006

From Our Principal...

My how time flies. One year ago, in the November 2005 edition of the *Rebelation*, we announced that we had the necessary funds to begin construction on a new classroom wing and renovation of the existing junior high wing. The construction work lasted longer than was anticipated, but you know what they say about those who wait. These improvements will enhance the educational environment of the school and strengthen its ability to attract and retain quality students and faculty seeking a Catholic educational experience.

Your generous contributions are making a substantial impact on the continued success of our vision to improve our facilities as we Grow In Faith Together (GIFT). Much of the athletic complex has been completed and the weight room has been in use since late June. We anticipate the locker room facility to be completed by the end of the current football season and will be available for use by the boys soccer, wrestling, and indoor track teams. The athletic complex (located behind the existing gym) will house a weight room, training room, locker room, and shower/laundry facilities, as well as offices for coaches and staff.

If that was not enough campus construction, the renovation of the existing weight room into girls and boys basketball locker rooms has been completed. This will allow us, over the course of the school year, to renovate the physical education locker room facilities, for both girls and boys. Much of that work will be done with good old elbow grease.

Now that the speech department has relocated into the new classroom wing, we will be restoring the Chapel to its original purpose. Once completed, the Chapel will allow us to hold daily morning prayer, rosaries, prayer services, and days of reconciliation. If you have the skill, or more importantly the time, to help with this, please give School Board Facility Committee Chairperson David Guidry a call and volunteer your time when he schedules workdays.

Upcoming events include All Saints' Day Liturgy at Calvary Cemetery, Blood Drive, Sophomore and Junior Retreats, 8th Grade Day, Open House, TCH Girls Hoopfest Basketball Tournament, Thanksgiving Mission Trip, TCH Feeds the Hungry on Thanksgiving Day, Advent Prayer Services, Adopt-A-Family for Christmas, Immaculate Conception Mass, Live Nativity Prayer Service and semester examinations. This listing clearly reflects the excellent job being done by the faculty and students at TCH and their commitment to and cultivation of their faith and special gifts.

The spirit of our student body, through some hard times this year, has been truly remarkable. Sculptor Henry Moore (1898-1986) said, "One never knows what each day is going to bring. The important thing is to be open and ready for it." From their upbringing at home to the lessons learned at school, our students have handled every challenge with tolerance, compassion, and dignity.

We would like to thank everyone who has given so much of themselves to make Teurlings Catholic the school that it is. The gifts that our faculty, students, and parents possess are the heart and soul of our school.

DISCIPLINE

Terri Baudier - Assistant Principal

A MESSAGE TO PARENTS FROM SADD:

The members of SADD (Students Against Destructive Decisions) at Teurlings Catholic would like to take this opportunity to ask you as parents to join us in the fight against destructive decisions. Teen drinking has become an escalating problem, especially here in the heart of Louisiana. Our culture is one that promotes a lifestyle that condones alcohol consumption. This way of life becomes a hazard when parents endorse underage drinking. From the article "Message in a Bottle," in the October 4th edition of *The Independent*, Ken Benedik, a UL Lafayette health instructor, explains that alcohol is a depressant that slows the function of the central nervous system, and because teens are still developing physically they are particularly vulnerable. When intoxicated, teens as well as adults are more likely to make destructive decisions. SADD acts as a support system for good decisions. *The Independent* also reports: that teens who drink are more likely to be sexually active and have unsafe, unprotected sex; that half of drowning deaths among teens are alcohol related; and that alcohol use increases the chance of them being involved in a homicide. SADD is asking you to join our movement to fight underage drinking. We are encouraging you to talk to your children about the brutal truths of drinking. It is very important that the good example starts at home. Many parents encourage their children not to drink and drive, which is a step forward, but how about encouraging them to not drink at all?

HOMEcoming WAS A HIT!

What a great night! Our Homecoming Dance was held at the Carencro Community Center for the first time, and it was great. Many students commented to me how nice it was to be out of the gym. It allowed us to have a separate picture room, a room for shoes and purses, and a concession area. The behavior and dress of our students was outstanding and they danced the night away and had a wonderful time. Thanks to all the parents for their support and cooperation with the dresses!

TARDINESS A PROBLEM!

The number of students who are tardy to school in the morning is absurd. Many students already have 3 or 4 violations on their discipline record, and it is only the end of the first quarter. Several students will end up suspended by the end of the semester. Tardiness is a bad habit. Let's face it, no work place will allow constant tardiness, which is why it is so important to make students get here on time now. Another concern I have is the students who leave home late tend to drive over the speed limit to try and make it here on time. Please talk to your child about making some changes now to prevent problems later. If you need any information about tardies or what time your student is getting here, please give me a call at ext. 102.

PARKING SPOTS

There are no more parking spots left at this time. I will have a waiting list as spots become available. Students can sign up in the office.

CELL PHONES

Just a reminder that cell phones are not allowed in book bags or on a student. They must remain in the locker or in the car.

K-12 PLANET

All parents should check K-12 Planet for detentions. I do not contact parents for each minor infraction. I will contact parents after the 4th discipline infraction.

ACADEMICS

Marty Heintz - Assistant Principal

For many students, **EXAM** is a true four-letter word, especially at the freshman level where many have never before encountered a semester exam. At TCH, exams are given at the end of both semesters and those exams are comprehensive – in other words, the exam covers everything presented in the class during the semester. Exams at Teurlings count for one-fifth of the semester average or one-tenth of the year average, so they are important. Students who have learned the material as it was presented by the teacher throughout the semester usually have no problem with semester exams. The student who has memorized something for a test and promptly forgotten it afterwards tends to panic when semester exams roll around. I wouldn't call it impossible, but it is truly difficult to relearn an entire semester's worth of material in the night prior to the exam.

The wise student prepares for exams throughout the semester by making an effort to retain the material learned. Since we're parents and realists however, we understand that most students won't plan that far in advance. There are some things students and parents can begin to do now, a month before exams, to start getting ready:

- Gather up tests the teacher has returned to the student. Those tests form the basis for a good study guide for exams.
- Start making flashcards of vocabulary words and important facts now.
- Spend a few minutes each night reviewing material from earlier in the semester.
- Make sure the student stays current on assignments and makes up all work promptly when absent.
- On the night of a test, go through notes and highlight items that were on the test.
- Look at the family calendar and make sure the student will have study time the week before and during exams. Cancel activities that are unnecessary those weeks.
- Make sure the student has a place where he/she can study undistracted by TV, radio, the cell phone, and instant messaging.
- If the parent has not already done so, schedule a conference with the teacher if the student is struggling in a class. The teacher will provide you with information that will help your child achieve success.
- Finally, and this one is common sense, make sure the student gets a good breakfast and a good night's sleep each day during the exam period.

TOUR de FORCE

We are very proud of our faculty and staff. Many have achieved status above and beyond the call of duty; all are terrific with the students. This column is designed to feature accomplishments of those faces on campus.

Congratulations!

Great job to Josette Surratt, John Fruge and the speech department students for the delightful success of the annual dinner theatre, Dramatically Delectable. Also, awesome job and thanks to all who helped make the TCH Speech Tournament another successful event.

Ramey Badeaux and husband Brooks TCH '94 announce the birth of Brant Christopher, 8 lbs. 11 ozs., on Oct. 2nd, at Women's & Children's Hospital.

Principal Mike Boyer was recently recognized for his thirty-plus years of announcing high school, college, and national competitions by "The Voice," a publication of the National Association of Sports Public Address Announcers. He was also invited to submit a story about his experience which will be featured in the next issue of the publication.

SADD Presentation

On Monday, October 2, **Mrs. Kim Hardy** and the **SADD committee** introduced **Carrie Theard** with the Junior League of Lafayette and her NO FEAR, NO FUTURE committee who came to TCH to speak to the student body about the effects of drinking and driving. Special guests included **Eric Searcy** and **State Trooper Anderson**. Eric was struck by a drunk driver and is now a quadriplegic. He told his story and emphasized to the students that one wrong decision can change the lives of many people. Trooper Anderson spoke to the students about his role as a LA state trooper and told them the consequences of drinking and driving.

Righteous Rebels

This column is designed to recognize the accomplishments of our students in the areas of academics, athletics, and extra-curricular activities at school or around the community. Parents, teachers, coaches, sponsors, moderators, and pastors are invited to "brag" about a student by sending information to Maria Hanes in the Admissions Office - Fax 234-8057 or email - mhanes@tchs.net. Spread the good word!

Pro-Life Rosary

On Thursday, October 5, 2006 the Senior class of 2007 lead a rosary in honor of "Pro-Life Month". The month of October is recognized as Pro-Life month in which we remember and pray for all those who have had abortions, are considering abortions, or have been involved in anti-life practices. Second grade students from St. Leo Seton Elementary also participated in the rosary. Special thanks to them and all who helped make the rosary a huge success.

Capital Campaign Update

With construction on the Athletic Complex nearing completion, we are still in need of approximately \$100,000 to complete the building.

The new weight room is state of the art and rivals any facility of its kind in Louisiana. Rebel athletes are already reaping the benefits of the new equipment. The locker room, training room and shower facilities will be completed by the end of October.

The football lockers are scheduled to be delivered the week of November 17th. Football players can expect to be dressing out in the new locker room before the end of the year. The new equipment/laundry room, complete with a commercial washer and dryer, should be completed by the end of the year. Rebel moms will soon enjoy a much-deserved break from washing football gear and may save money on air freshener too!

A big Rebel thank you goes out to all parents, alumni, and friends who helped to make this beautiful facility a reality. If you wish to donate, please know that all current Rebel athletes and those for many years to come will greatly benefit from your generosity.

Thank you to all alumni and parents who have responded to our Adopt-a-Locker Program. If you missed the announcement, here are the details: Current and former REBEL football players will have a chance to build upon the TCH legacy. With a \$100 donation, a plaque with the player's name, position, jersey number, and seasons played will be mounted on a locker, with the corresponding number, in the new Athletic Complex. Every current and future TCH player that wears a Rebel jersey will know the history and tradition of the number. REBEL fans and alumni will also have the opportunity to participate in the program with a plaque mounted on the respective locker. Contact **Angela Delhomme**, Capital Campaign Director, at adelhomme@tchs.net to reserve your jersey number today.

Thank you for your support and for your REBEL pride!!

Preliminary plans are being made for Adopt-a-Locker Programs for basketball and track & field. Details will appear in a future issue of the Rebelation.

There are many opportunities in which funds are generated for our school and with no extra cost to our families. Thanks!
