THE OFFICIAL NEWSLETTER FOR PARENTS OF  
TEURLINGS CATHOLIC HIGH SCHOOL STUDENTS

## NOVEMBER/DECEMBER, 2007

### From Our Principal...

During the month of November, the Administration and School Board is charged with the task of setting tuition for the upcoming school year. Few decisions facing school administrators and school boards require as much courage, perspective and sensitivity as setting the school's tuition rate. Administrators across the country struggle with this question: How do we provide a quality Catholic education for all families without depleting the families' limited financial resources?

Tuition increases annually because expenses increase annually. The Teurlings Catholic faculty is an incredibly dedicated group of men and women who work for salaries which are far less than their counterparts in the public school system receive, and the gap is ever widening. Although we can't pay them what they would receive in the public system, we need to keep their salaries as competitive as possible, and of course, we need to give them salary increases which reflect the cost of living.

Starting salary at Teurlings Catholic with zero years of experience and a Bachelor's degree is \$25,865.00. During this current school term, our faculty receives the following percentages of the salary which their counterpart with the same degree and years of experience receives in the area public school systems: Iberia Parish 63% (\$40,800.00); St. Martin Parish 64% (\$40,256.00); Lafayette Parish 67% (\$38,408.00); St. Landry 70.3% (\$36,756.00); and Vermilion Parish 73.5% (\$35,154.00). Because of the obvious financial opportunities, it will become increasingly more difficult to attract, as well as, retain quality teachers.

Our present structure of tuition payment does not meet the cash flow requirements of the school. Teurlings Catholic does not have any significant cash reserves nor a significant endowment. We function off our annual income, and our annual income does not always coincide with our expenses. It is for this reason that it is so incredibly important that all parents pay tuition in a timely manner. All of our financial policies are geared towards insuring that tuition is paid on time, so that the school can meet its monthly financial obligations.

The educational implications for your child are obvious. If Teurlings Catholic is to remain the excellent school that it has always been, it must be a forward looking and energetic institution. The administration and school board have accepted the charge to develop a plan that will ensure the continued success of our school. We will try to keep tuition as moderate as possible to meet the resources of our families, but tuition will increase every year to meet the financial needs of the school.

## DISCIPLINE

### Terri Baudier - Assistant Principal

#### Detective Crowder a Hit!

Detective George Crowder, from the Lafayette Parish Sheriff's Office, has talked at many schools, parent meetings, and teacher in-services all across Lafayette Parish. He has a great message for the students: "No matter what life has dealt you, you can overcome it." He has told his story to many, and each time it is just as effective, no matter what the age group. Detective Crowder has a wealth of knowledge to share and that he did at our first parent seminar on Oct. 8. Here is what some of our parents who attended had to say:

*"We thought Mr. Crowder was inspiring, informative, and credible. His personal testimony was extremely moving. We felt like he shared information that parents can use to direct our teenagers. I just wish there were more parents present to hear what he had to say. We would love to have him back."*

*Monica and Steve Salopek*

*"I remember very well Detective Crowder talking about serving in the military and one thing he said was that the military showed him how to love in spite of the situations and surroundings. I thought this was a pretty profound statement that added nothing but grace and love to his overall presentation and testimony."*

*Charles Young*

On **Nov. 5 at 6:00p.m.** in TCH Chapel we will have our second parent talk, and this time it will be on dealing with challenging situations with teens. One of our own families will share an experience of how they dealt with a very challenging situation. We want to know if they would handle it the same way, now that they have more knowledge and information. Sometimes as parents we wonder if we are being too hard or not hard enough when situations arise. Dr. David Legendre will give a presentation on how to deal with discipline situations that are serious. Remember there is no book on "Perfect Parenting." We all do the best we can, and it is refreshing to hear that your methods are good. Sometimes we also can use new ideas to get the point across. So come by and hear what Dr. Legendre has to say. I want to know how to handle a situation before I actually have to, what about you?

## ACADEMICS

### Marty Heintz - Assistant Principal

Exams, homework, and grades – three words that can strike terror in the hearts of students, parents, and teachers alike. Since this is the last newsletter prior to the end of the first semester, I feel it is time to look at those three terror-invoking items. And, since homework has a direct influence on grades and an indirect influence on exam performance, let's start there.

#### HOMEWORK

I conducted an unscientific poll in senior and freshman classes, asking the students to rate 7 common (but generally not liked) tasks typically completed by high school-age students (doing the laundry, cleaning their room, taking care of brothers/sisters, etc.) as well as three school-related tasks (completing written homework, studying for a test, completing a project/research paper). The students put the 10 tasks in the order they'd prefer to complete them. Want to know the "task" your kids typically prefer to do? Seniors consistently chose "go to the dentist" over all chores and homework. Freshmen prefer a chore (mowing the grass, taking care of brothers and sisters, or cleaning something) but again, the three school-related tasks came in dead last. Surprised? I'm not because I have access to teachers' grade books, and I know not completing homework is the number one problem our teachers battle in the classroom, followed closely by students not studying for tests. I also figured projects and research papers would come in dead last, again because I listen to students (and parents) complain about having to complete them.

**NO ONE LIKES HOMEWORK!** Teachers hate it because it has to be graded and it is a constant battle to get students to complete it. Parents hate it, again because it is a constant battle to get your kids to do it. Students, well, they'd rather do just about anything other than homework, even babysit that six-year-old brother who annoys them! However, homework is a necessary evil. Let's face it – we all learn with practice. So, homework is not going to go away. All our students have homework on a nightly basis. If you never see your child doing any homework or never studying for a test, there's a problem.

#### EXAMS

Just to answer the question, yes, our students are required to take comprehensive mid-term and final exams in every subject except athletic PE and senior Theology. The exams cover all material presented in the semester.

If this is your first go-round with comprehensive exams, here are a few study tips that you can use with your child:

- Encourage your child to go back to notes and highlight information that was tested throughout the semester. Chances are it will be on the midterm or final, too.
- The old flashcard trick you used with your child to learn the multiplication tables or vocabulary words back in the primary grades is perfect for reviewing material for exams.
- If the teacher returns tests, make sure your child keeps them and uses them to study for exams.
- If a study guide is provided, check to see that your child completes the guide themselves (not copying someone else's answers) because research has proven that if a student looks up the answer themselves he or she is much more likely to remember that answer.
- Use the textbook and make sure your child can answer the chapter review questions for all chapters covered during the semester.
- Finally, schedule family activities around exams so that your student has time to study. Don't plan that big family reunion or weekend trip for the weekend before exams start. Make sure that studying is the first priority.

Exams at Teurlings are worth 1/5 of the semester grade, so exams are important.

#### GRADES

The first quarter is now history and we are well into the second quarter. I was very pleased that 90% of parents picked up report cards on Parent-Teacher Conference Day, and many of you took the time to speak with teachers. I know there were some long lines; I appreciate the fact that many of you waited out those lines. Thank you! Personal contact with a teacher is important. Not only does it show your concern to the teacher and provide you with feedback on how your child can improve the grades, but it also sends the right message to your child. If Mom or Dad is willing to give up time to go and see a teacher, then school must be important.

If you have not contacted a teacher yet about any problems your child may be facing academically, now is the time to do so. Keep the lines of communication open. You can call the teacher's voice mail extension (listed in the handbook and student agenda, as well as on our TCH website) or email the teacher. Our teacher addresses are simple: the first initial and last name of the teacher at tchs.net. If you have trouble connecting with a teacher, let me know.

## TOUR de FORCE

*We are very proud of our faculty and staff. Many have achieved status above and beyond the call of duty; all are terrific with the students. This column is designed to feature accomplishments of those faces on campus.*

## Congratulations!

Coaches **Pilar Burson** and **Terry Hebert** led the volleyball team to District Champions in our first season in 4-A competition.

**Adrienne Brame**, along with the freshmen class and TCH 4-H Club, is spearheading a "green" movement by placing recycling bins around the TCH campus. See page 12 for more information.

The **social studies** and **English** departments are using a new on-line service called "Turnitin," which checks student papers for plagiarism.

The **theology** department will be attending the Diocesan Catechetical Conference and **Adrienne Brame** will be presenting.

**Cathryn Martin** has revived the TCH Book Club. See Mrs. Martin in Room 25 if you would like to join.

## Righteous Rebels

This column is designed to recognize the accomplishments of our students in the areas of academics, athletics, and extra-curricular activities at school or around the community. Parents, teachers, coaches, sponsors, moderators, and pastors are invited to "brag" about a student by sending information to Maria Hanes in the Admissions Office - Fax 234-8057 or email - mhanes@tchs.net. Spread the good word!

### Rebels of the Month

**Blake Naquin**

Retreat Ministry, Basketball, Golf, and Who's Who Among American High School Students

**Christina Angelle**

Student Council Executive Board President, Beta, National Honor Society, Volleyball, Tennis, Rebel Ambassador, Retreat Ministry, Diversity Team

**October**

Congratulations to the **Speech & Debate Team** for their wins at the Jesuit Tournament. **Chris Ardoin** placed 1<sup>st</sup> in Novice Lincoln Douglas Debate, and **Andre Courville** placed 3<sup>rd</sup> in Advanced Lincoln Douglas Debate. **Caitlin Papa** and **Kasie Dugas** also reached quarterfinals in Advanced Lincoln Douglas Debate.

Kudos to everyone who helped with the **Beta Club** District meeting. **Jean-Paul Abshire** was elected District Governor for the 2007-2008 school year. **Kristin Daniel** won the Special Talent competition and now advances to compete at the state level. Congratulations to **Elizabeth Pollard**, the current Beta Governor, for a great district meeting attended by 15 schools and over 600 students.

Nice job to the following RABC 1<sup>st</sup> quarter incentive prize winners: **Dillon Robin, Simone Babineaux, Danielle Hebert, Derek Delcambre, Jake Miller, Lance Robichaux, Anne Oubre, Amy Bergeron, Amelie**

**Bordelon, Kirby Davis, Alexi Fuselier, Lauren Durand, Chase Richard, Kodi Haydel, Chase Wooley, Cayley LeBlanc, Mary Fontenot, Jessica Perry, Kathryn Abadie, and Brooke Webb.**

Way to go to the **Rebel Revue Dance Team**. Their picture from last year's state competition made the front page of this year's American All-Star's national competition brochure.

Awesome job to the **Speech & Debate Team** for their 2<sup>nd</sup> Place sweepstakes at the UL Lafayette tournament. Individual winners were: **Andre Courville** – 1<sup>st</sup> in Advanced Lincoln Douglas Debate; **Kasie Dugas** – 1<sup>st</sup> in Junior Extemp; **Jordan Attales** – 2<sup>nd</sup> in Junior Extemp; **Kay Manuel** – 1<sup>st</sup> in Oratory; **Jacob Broussard** – 1<sup>st</sup> in Junior Oral Interpretation; **Michael Dubose** – 3<sup>rd</sup> in Junior Oral Interpretation; **Arielle Latiolais** – 1<sup>st</sup> in Senior Oral Interpretation; **Blake**

**Flugence** – 2<sup>nd</sup> in Senior Oral Interpretation; **Cassie Boudreaux** – 2<sup>nd</sup> in Senior Dramatic Interpretation; **Jacob Broussard** – 3<sup>rd</sup> in Junior Humorous Interpretation; and **Blake Flugence & Arielle Latiolais** – 4<sup>th</sup> in Duo Reading.

Great job to **Brittany Morvant** for winning 1<sup>st</sup> Place Overall in the Crescent

City Talent Showcase in New Orleans on October 13. The competition was for performers 3 to 18 years of age. Brittany won 1<sup>st</sup> place in her age division (14-18) with "Trouble Is a Woman," and Overall (all age categories) with "Stuff Like That There." The event was to benefit the Ronald McDonald House Charities. Being top winner entitles her to perform at other prestigious venues such as Earth Fest at the Audubon Zoo on March 15, 2008, and singing the National Anthem at a Tulane University basketball game.

## Campus Ministry

### Newly Commissioned Eucharistic Ministers!

Congratulations to the following students who were commissioned as Eucharistic Ministers: Shayne Breau, Emily Clause, Danielle Cottonham, Emily Fortier, Lauren Granger, Amber Guillory, Kristin Latiolais, Lauren LeBlanc, Kelsie Menard, Bryson Mestayer, Keith Ozene, Jordan Ray, Lindsey Richard, and Ali Robin.

### Chapel Renovations!!!

On Sunday, October 7, students, parents, and members of the TCH faculty repainted the chapel giving it a well needed face lift. We are continuing to pray for the means to further renovate and make the chapel a beautiful and peaceful place. Special thanks to the following people for helping to paint the chapel: Tiffany Dugas, Betsy Perret (Seth '08), Tammy Guidry (Hunter '08), Dona Dugas (Taylor '08), Mr. Cecil Rabalais, and seniors Camille Bordelon, Shayne Breau, Taylor Dugas, Emily Fortier, and Garrett Maxwell.

### Rebel Revival Update

The chapel was the setting for the 2<sup>nd</sup> Rebel Revival of the year, "Happy Birthday Everyone!" Because October was Pro-Life month, the message of the evening was to celebrate life! Gifts were given out and everyone played games. Towards the end of the night, "happy birthday" was sung and everyone enjoyed cookie cake. Thank you to **Austin Proctor** for sharing your personal story with the audience in hopes of teaching them to embrace the loved ones in their life and not take people for granted. Also, special thanks to the planners of Rebel Revival, **Camille Bordelon** and **Gavin Lastrapes**. Join us for the next Rebel Revival on November 14<sup>th</sup>.

### Down's Syndrome Buddy Walk

Our Campus Ministry Club eagerly participated in the 3<sup>rd</sup> annual Buddy Walk. An arts & crafts booth was set up for the children to decorate frames and color pictures. Our students had a wonderful time conversing with the participants and simply enjoying their company! Thanks to all club members who were able to help.

### Pray the Rosary

Rosaries are continuing to be recited every Friday morning in the chapel at 7:00am. Everyone is welcome to attend. Also, a special rosary is being recited every first Friday of each month in honor of the Sacred Heart of Jesus. Special thanks to **Mrs. Mandy Fisher** for volunteering to lead Friday rosaries.

### Pearl Girls

A group of senior girls gathered for the first Pearl Girls meeting of the year. The topic of the gathering was "Self Love." We focused on scripture and prayer encouraging women to love themselves just the way they are. Thanks to those who attended. Any senior girl is welcome to attend the next meeting in November (TBA)!

## Rosary ~ October 4, 2007

October, the month of the rosary, Teurlings Catholic High students and the second graders of St. Genevieve School gathered in the Teurlings Gym to pray a pro-life rosary. A statue of Mary, the Mystical Rose, graced the center of the gym. Each time a senior prayed a bead of the rosary, a second grader placed a fresh rose at the foot of Our Lady's statue until she was encircled with roses. Those roses seemed a beautiful symbol of the gift of life, its beauty and its brevity. The program ended as senior **Danielle Cottonham** shared a witness with the story of her adoption.

#### WISHES GRANTED

Coach Baudier would like to thank his anonymous donor for the stationary bicycle he requested in last month's *Rebellion*.

### WISH LIST

You can help a teacher, a coach, a moderator, or an entire department by funding an item on our wish list. These items, although important and helpful, are not covered in the school's budget. **Contact Aline Norwood in the Development Office 235-5711 Ext. 105 for assistance with your gift to TCH.**

#### TCH Chapel

We need volunteers and craftsmen to help in our quest to "reclaim" the chapel. Through donations and volunteers, the walls have been lovingly patched and painted. Fr. Chester Arceneaux of Our Lady of Wisdom Church on the ULL campus has donated pews. The roof has been patched. The lighting fixtures need to be changed and the ceiling needs to be replaced before other steps can be taken. If you can volunteer your time and skills, donate some in-kind services from your business or company, or make a monetary contribution, please email Mrs. Mandy Fisher: [mfisher@cox-internet.com](mailto:mfisher@cox-internet.com) or Aline Norwood: [anorwood@tchs.net](mailto:anorwood@tchs.net)

#### Items needed in the chapel:

Lighting Fixtures  
 Missal stand for altar  
 Altar  
 Tabernacle  
 Stations of the Cross  
 Priest chair and Altar server chairs  
 Large crucifix for sanctuary  
 Processional crucifix

The freshmen class, along with the TCH 4-H Club, has initiated a recycling program on campus. It is written in the Book of Genesis, "God created man in his image; in the divine image he created him; male and female he created them. God blessed them, saying, 'Be fertile and multiply; fill the earth and subdue it. Have dominion over the fish of the sea, the birds of the air, and all the living things that move on the earth'...And so it happened God looked at everything he had made, and he found it very good." We are being stewards of this earth in this passage. It is God's divine plan that we care for and protect God's creation; that is our responsibility. Genesis 2:19 states, "So the Lord God formed out of the ground various wild animals and various birds of the air, and brought them to the man to see what he would call them; whatever the man called each of them would be its name." Just as your parents name you and are responsible to care for you, we are responsible to care for the earth and all its creatures. Recycling is a way we can care for the world God has given us. It is our responsibility as stewards of God's creation.

There are trash cans in various places on campus marked "RECYCLE." These are for your plastic bottles and drink cans only. Please do not put trash, paper or food in these recycle bins. Also, 4-H will be collecting paper in classrooms.

With your help this should be a successful project.

## Mole Day ~ $6.02 \times 10^{23}$

A mole is the unit  $6.02 \times 10^{23}$ . In honor of Mole Day, celebrated on October 23<sup>rd</sup>, students in Ms. Lauren Schomaker & Mrs. Brandy Courtney's Chemistry classes made pinatas, t-shirts, and mole-shaped cakes.
