## From Our Principal...

Wouldn't it be great if all of our Rebel athletic teams never had to practice and could just show up for the games and still win? Wouldn't be great if the cheerleaders, the dancers, the speech team, the music ministry, and the actors in the school play were just born knowing everything they needed to be successful? Teachers, doctors, lawyers, insurance providers, nurses, etc., would all rejoice if they never had to go to college for intensive training to enter the vocation of their dreams. What a world it would be if all of this was true.

The first quarter progress reports have been distributed. Some parents were very satisfied with their child's performance, some not. Many reports went home with "academic probation" stamped in red. The great thing is that these were progress reports, exposing four weeks of academic work for each child, not nine weeks. We have scheduled our annual Parent/Teacher conference day on October 15, from 2:00 p.m. - 7:00 p.m. Students will not attend classes that day. All teachers will be in their classrooms to meet with parents to discuss the first quarter grades. This is a great opportunity for parents and teachers to communicate with each other and structure a format for success for each and every student. I am sure that many progress report grades will improve and the report card will be a better representation of the student's ability.

Our drug testing program has been in operation since the start of school. It is our hope that the program is a deterrent for student drug use. But that concept needs to be backed up in the home. Our homecoming dance was a tremendous success. Using three breathalysers, no TCH students tested positive. Our sophomores spent four days experiencing the "Crash Course," exposing them to the dangers of drinking and driving. On October 25, all female students will listen to a presentation by 84 year old Catholic philosopher Dr. Alice von Hildebrand titled "Purity and Chastity." All male students will go to St. Genevieve Middle for a video presentation titled "Romance without Regret" by national presenter Jason Evert, also covering the topic of chastity.

An athlete cannot become bigger, faster, or stronger without working hard in the weight room or on the practice field. And when they feel muscular discomfort, Bengay™ is rubbed on the body to help with the pain and soreness. The good ones go out and do it again the next day. There can be no learning if there is no mental discomfort and trepidation. That is a fact! A successful coach expects athletes to train hard daily. A successful teacher expects the same from his/her students, to train daily, to study daily, to struggle daily. We make every effort to "massage the brain" spiritually and academically.

## DISCIPLINE

### Terri Baudier - Assistant Principal

Thanks to all the parents who helped make this year the smoothest start ever for our students. I would like to list a few reminders that will help the year stay great:

- ✿ We have had several cell phone violations already. Students are not allowed to have their cell phones on them or in their book bag. Check your son/daughter's cell phone and see if they are making calls or sending text messages during the day. If they are, then you need to talk with them before they get into trouble at school.
- ✿ If your child will be arriving to school after 7:50 am, you must call the front office and let Mrs. Tisha know. The school must know where they are for safety reasons, and I am sure as a parent you appreciate this.
- ✿ Please check K-12 planet to see if your child has received any detentions. I do not call home for every detention. Once a student receives four or more detentions or discipline infractions, I will send a note home. Once they reach seven, they are suspended out of school.
- ✿ Please make sure your son is properly groomed before coming to school. No matter what age they are, they still need adult guidance and direction.
- ✿ If your child is being bullied or picked on, please let me know!

*Introducing* the new "**Rebel Resource Network**" for parents. This is a new group designed to help S.A.D.D. with projects and events around school. S.A.D.D. stands for Students Against Destructive Decisions, which includes drugs, alcohol, sex, and seatbelt safety. The group is open to any parent who wants to help students make the right decisions in high school. All you have to do is email me at [tbaudier@tchs.net](mailto:tbaudier@tchs.net) and you're in! We will put you in the network and keep you informed of projects and information to help you as well as other families at TCH. If you can't attend functions or meetings, just being able to pass on information to us is helpful. Our next meeting is on November 13, at 6:00 pm in the library!

## ACADEMICS

### Marty Heintz - Assistant Principal

September 17 – to quote President Franklin Roosevelt, “A day that will live in infamy” for some of your students! Receiving that first progress report of the year is a jolt back to reality for many of our students, especially those who came in and “coasted” through the first four weeks of school, continuing the summer vacation by blowing off the homework assignments and tests.

I am here today to reassure many of you, especially first-time freshman parents; there is life after progress reports. Many of the students, when faced with the reality of an F, a D, or even a B or C, learn quickly what is needed to pull the grade up. Here are some things to keep in mind:

◆ Progress reports are just that – progress reports. By the time the reports are issued, many students have already begun the process of turning the grade around. Progress report grades do not stay on any permanent record and are replaced by the official, permanent, first quarter grades as of October 15.

◆ The vast majority of students who got a D or an F on a progress report had one of two teacher comments noted, either “needs to complete assignments” or “needs to better prepare for tests.” Those are generally simple problems to fix by doing homework and/or studying for those major tests. There is a homework component built into just about every teacher’s grade – and, yes, you will lower the grade an average of an entire letter grade by not doing homework. The reverse is also true – you will generally raise the grade an entire letter grade by doing all the homework.

◆ Especially in the first quarter, students have plenty of time after the first progress report is issued to pull up the grades. Consider this – a teacher cannot give a test until enough material has been covered to effectively test the student, so

there are usually more grades recorded during the second half of the first quarter than the first three to four weeks of school. That can be a big help to a student who is trying to pull up a grade. The first low grade on a summer reading test, for instance, means much less by the end of the quarter when there are six major grades recorded in English than it did at progress report time when there were two major grades.

◆ For freshmen, it often takes a few weeks for students to adjust to the high school routine. Your child is NORMAL! Now that the first day of reckoning has come, that freedom may be adjusted by you, and freshmen quickly learn that there is a trade-off: Do well, and there is more freedom, do poorly and Mama and Daddy will clamp the restrictions back on!

◆ Finally, if your student is struggling in a class, encourage your child to approach the teacher either after class or before or after school to ask for help. We don’t believe in extra points, but all of our teachers are willing to work with students who truly want to do better and who will put in the time and effort to do so. There are tutoring sessions after school, websites that can be recommended, and study skills that can be attended to – if a student asks. And, by all means, if your student still needs help, feel free to call the teacher yourself. We like to see our high school students, however, take the first step themselves and shoulder the responsibility, as young adults should do.

**Don’t forget, the first report card goes out on Monday, October 15. No report cards will be issued to students. Parents must pick up the report cards between 2 p.m. and 7 p.m. that day. All the teachers will be on campus to meet with parents who wish to do so during those hours.**

Last May, Mrs. Leslie Bergeron (Computer Literacy teacher) and her son, Drew Bergeron (12<sup>th</sup>) attended the Louisiana Teen Summit on Internet Safety in Baton Rouge hosted by Prevent Child Abuse Louisiana, Cox Communications, the LA Attorney General’s Office, and the Louisiana State Police. The purpose of the summit was to join in with the grassroots advocacy assignment of providing Internet Safety education around the state. The Bergeron’s contacted several representatives throughout the state to support this Amendment and on July 30<sup>th</sup>, they received notification that the House Bill was signed by Governor Kathleen Blanco, which included the amendment to support the Internet Safety Education Initiative.

Earlier this month, Mrs. Bergeron conducted a unit on Internet Safety with her freshmen computer literacy students. They explored the positive and negative aspects of using the internet. Students viewed several public service announcements concerning internet predators, cyber bullying, and privacy issues. Students were also provided with Internet Survival Tips for Teens. The picture below shows bumper stickers created by students concerning internet safety. For more student and parent information on internet safety, go to [www.netsmartz.org](http://www.netsmartz.org).

## Campus Ministry

### Campus Ministry Club

WELCOME to each and every student who joined the Campus Ministry Club. Over 100 students ranging from freshmen to seniors joined with the desire to serve the Lord in a special way! Our first event will be attending "Go Brown!" on September 30<sup>th</sup> at the Carmelite Monastery in Lafayette. This special day will consist of praise and worship in front of the monastery, an address from a Carmelite nun and a priest, and the final mass and blessing of roses in honor of St. Therese the Little Flower. The Campus Ministry Club will also be volunteering at the Down's Syndrome Buddy Walk in October and much much more!

### Weekly Confession

Thanks to Father Buddy Breau, the opportunity to receive the Sacrament of Reconciliation is now available each week on campus. Confessions will be heard on Wednesday's in the chapel beginning at 11:00 am. The sacrament is open to all faculty members and students.

### Kick-off Rebel Revival

The theme for our first Rebel Revival was "Greek Life: Rush Agape." The message for the evening was to be open to God's love for us and to love one another as Jesus loves us. Students were urged to wear togas to the event! The evening began with praise and worship and an icebreaker game and ended with a testimonies by **Danielle Cottonham** and **Lauren Leblanc** and a meditation. There was a tremendous turnout and everyone in attendance was attentive and open to the message. Special thanks to **Rebecca Ashy** and **Amber Guillory** for their planning efforts and hard work! Our next Rebel Revival is on Wednesday, October 10<sup>th</sup> at 7:00pm in the RebelDome. Please come and grow with God.

### Prayer Service: Miracles

The prayer service held on September 20<sup>th</sup> was touching to all who were present. The focus of the day was the power of prayer and everyday miracles. The presence of the Holy Spirit was evident as junior, **Blake Quebedeaux** addressed the entire student body about his personal experience of the power of prayer. Thank you to the senior Campus Ministers for planning the service.

### Eucharistic Commissioning

Congratulations to the seniors who were commissioned as Eucharistic Ministers on September 27<sup>th</sup> at the school Liturgy. May Jesus give you many graces as you serve the student body in such a holy way.

### THE SALVE REGINA

(Hail Holy Queen): Hail Holy Queen, Mother of Mercy, our life our sweetness and our hope. To thee do we cry, poor banished children of Eve; To thee do we send up our sighs, mourning and weeping in this valley of tears. Turn then, most gracious advocate, thine eyes of mercy toward us and after this our exile show unto us the blessed fruit of thy womb, Jesus. O clement, O loving, O sweet Virgin Mary!

### CITIZENS FOR EDUCATIONAL CHOICE (CEC)

Citizens for Educational Choice (CEC), formerly CEF, has designed an electronic advocacy tool to help parents of nonpublic school students connect with and influence their state legislators. Parents in our schools should sign up for this tool right away. Please register on the newly created CEC website [www.louisianacec.org](http://www.louisianacec.org).

This new tool is called Voter Voice and is very easy to use. Once you have registered on the CEC website you will receive Legislative Alerts from CEC's lobbyist, Danny Loar, during the legislative session. The alert will ask you to contact your local legislator, which you will do by clicking on an electronic link.

You will only receive four or five of these action alerts per legislative session. Legislators want to hear from you. The entire process will only take you 5 minutes, and you will be working effectively at limiting the size of your school's tuition increases (by increasing the Required Services funding) and defeating bad bills that would hurt our schools and your children.

## **A SAFE ENVIRONMENT FOR THE PROTECTION OF CHILDREN AND YOUNG PEOPLE**

Monday, October 8, 2007  
 6:00 p.m.

Initial Training – Room 2  
Continuing Education – Room 4

Diocesan policy mandates that any employee or volunteer having contact with minors must complete training required by the “Safe Environment for the Protection of Children and Young People.” This includes teachers, coaches, substitutes, volunteers, or anyone else having contact or working with the students. Once you have attended the Initial Education class, you will attend the Continuing Ed class on a yearly basis.

This program creates awareness regarding child and sexual abuse facing our society today. For the safety of our students, please help us to enforce this policy. If you have any questions, contact Leslie Bergeron (TCH Safe Environment Coordinator) at 235-5711 Ext. 241.

“Parent to Parent” is a program offered to St. Pius parents by St. Pius Elementary School in order to help them become better parents in dealing with drugs and alcohol. It was created by Bill Oliver who went through a hard time with his daughter who had experimented with drugs and ended up in an emergency room. He then made a promise to help other parents so that they would not have to endure the same pain.

St.Pius is inviting any TCH parent who wants to attend the meetings to feel welcome to attend. Below are the times, dates and places to meet.

## October: Pray the Rosary Month

### The 15 Promises of Mary to Christians Who Recite the Rosary

- Whoever shall faithfully serve me by the recitation of the rosary, shall receive signal graces.
- I promise my special protection and the greatest graces to all those who shall recite the rosary.
- The rosary shall be a powerful armor against hell, it will destroy vice, decrease sin, and defeat heresies.
- It will cause virtue and good works to flourish; it will obtain for souls the abundant mercy of God; it will withdraw the heart of men from the love of the world and its vanities, and will lift them to the desire of eternal things. Oh, that souls would sanctify themselves by this means.
- The soul which recommend itself to me by the recitation of the rosary, shall not perish.
- Whoever shall recite the rosary devoutly, applying himself to the consideration of its sacred mysteries shall never be conquered by misfortune. God will not chastise him in His justice, he shall not by an unprovided death; if he be just he shall remain in the grace of God, and become worthy of eternal life.
- Whoever shall have a true devotion for the rosary shall not die without the sacraments of the Church.
- Those who are faithful to recite the rosary shall have during their life and at their death the light of God and the plenitude of His graces; at the moment of death they shall participate in the merits of the saints in paradise.
- I shall deliver from purgatory those who have been devoted to the rosary.
- The faithful children of the rosary shall merit a high degree of glory in heaven.
- You shall obtain all you ask of me by the recitation of the rosary.
- All those who propagate the holy rosary shall be aided by me in their necessities.
- I have obtained from my Divine Son that all the advocates of the rosary shall have for intercessors the entire celestial court during their life and at the hour of death.
- All who recite the rosary are my son, and brothers of my only son Jesus Christ.
- Devotion of my rosary is a great sign of predestination.

(Given to St. Dominic and Blessed Alan) Imprimatur: Patrick J. Hayes  
DD Archbishop of New York

## Important Notice to CAR RIDERS!

Parents traveling from Pinhook/Breaux Bridge Highway are having a difficult time trying to turn left into the driveway in the mornings and afternoons. If you are traveling from Willow and are taking a right into the driveway, please be considerate of others. We ask that you let in one parent traveling from the opposite direction. If each side takes a turn, traffic would flow much smoother. Thanks for your cooperation and consideration of others.
